

Jaypee University of Information Technology, Waknaghat, is Ranked 5th in IBM-TGMC 09'

The Great Mind Challenge (TGMC) is a national level software development competition conducted by IBM India Private Limited every year since last 7 years. In this competition, the B.E./B.Tech./MCA students take actively participation from all over the nation and make projects by using IBM latest technologies and tools.

Limca Book of World Record has declared TGMC as the biggest national level software development competition.

A group of students (webdivers) of 3rd year CSE and ECE have achieved 5th rank in IBM-TGMC 09' in the TGMC 2009 Felicitation Ceremony at Bangalore, May 12, 2010. And "Drona Award" to Mr. Nitin Rakesh (Lecturer, Dept. of CSE & IT, JUIT) for being the guide of this group.
