SPOKEN TUTORIAL WORKSHOPS FOR STAFF

On

LibraOffice Suit Writer, Math, Cal & Impress

8th –28th June, 2017

The Spoken Tutorial project is the initiative of the "*Talk to a Teacher*" project of the **National Mission on Education** through **ICT**, launched by **MHRD, Govt of India** and developed at **IIT BOMBAY**. This project is teaching Free & Open Source Software (FOSS) like **Linux, Scilab, PHP & MySQL, LaTeX and Python etc.** to all college students of India. The mode of training is through **workshops, held at individual college campuses, with guidance and materials provided by IIT Bombay**. These workshops are of **2 hour duration** and **totally free of cost**. After the workshop, an online exam is conducted by IIT Bombay and **certificates are awarded to the students**. **These certificates can act as game-changers in the students' career!** Students can achieve an edge in their CV by getting trained in some software and gaining experience in event management.
