

The Board of Studies for Department of Electronics and Communication Engineering has been constituted in April 2014 for the period Jan 2015- December 2018. Approval for the same had been sought from the Hon Vice Chancellor Prof. S.K. Kak, but Prof. Kak subsequently resigned without replying to this.

He has attended the meeting held on Feb 2015 there by giving de facto approval to the board.

Subsequently, Prof D.C. Kulshrestha has left the university so it is proposed that Prof Ghanshyam Singh replace him. 11 (13)

VC may kindly approve.

HOD ECE Department

Dean A & R 

Director Academics

May kindly approve the change (A) 

Vice Chancellor
