Office Order

The following three independent working groups have been established to support the activities of Mitsubishi Automation Lab:

Group-1: Dr Emjee Puthooran, Dr Shweta Pandit and Dr Vikas Baghel

Group-2: Dr Naveen Jaglan, Dr Nafis Uddin Khan and Mr Munish Sood.

Group-3: Dr Salman Raju and Dr Pardeep Garg

All these faculty members will work together for the smooth growth and development of this initiative. Also, whenever necessary they will liaison with the participants and Mitsubishi team in terms of training, internship, placement and curriculum enrichment.

Head, ECED
