

# Proficiency Programme in Electronics and Communication Engineering

---

Electronics and Communication Engineering students can choose to either broaden their background or attain in-depth coverage of a particular subject by enrolling in a Proficiency Programme. Proficiency courses are coherent sequences of courses that may be taken in place of regular elective slots required for the B. Tech degree, in the chosen field of proficiency.

*Conditions for award of additional certificate of proficiency in Electronics and Communication Engineering*

1. Qualify for the award of B. Tech. degree in the minimum period.
2. Have passed in minimum of >50% of B. Tech elective subjects taken from Electronics and Communication Engineering Department.
3. Grade Point Average in the elective subjects of (2) is >7.0.
4. Major project has been done in Electronics and Communication Engineering Department with at least 'A' grade
5. CGPA for 195 credits (pre 2018 batch) /160 credits (post 2018 batch) of B. Tech. level is >6.5.

At present Department of Electronics and Communication Engineering JUIT, Wagnaghat offers following proficiency programmes:

1. Proficiency in Embedded System
2. Proficiency in Communication Technology
3. Proficiency in Machine Learning
4. Proficiency in Signal Processing
5. Proficiency in Digital Image Processing
6. Proficiency in Microwave and RF Design

The Proficiency programmes offered in aforementioned areas are designed primarily for students of Electronics and Communication Engineering Department, JUIT to experience the engineering approach to the solution of design problems. Students pursuing any of the proficiency courses will be better prepared for careers in Electronics and Communication Engineering. These proficiency courses will provide students with a technical and competitive edge over most traditional Electronics and Communication Engineering undergraduates in the Electronics and Communication Engineering job marketplace. As per 160 credit course curricula, a student must opt minimum 3 courses from chosen field of proficiency in place of regular elective courses to get additional certificate of proficiency in chosen field.
