Welcome to IET Digital Library

The IET Digital Library holds more than 190,000 technical papers from 1994 onwards for all IET journals, magazines, books, conference publications and seminar digests. Highly cited journals such as *Electronics Letters* are available alongside 24 research journal titles, *The Journal of Engineering*, the IET's new open access journal, *Micro & Nano Letters*, the IET's online only journal, the IET's member magazine *Engineering & Technology*, plus seminar digests and conference publications. BASIC SEARCH

Enter the keywords in search box
e.g. Title/Author/Subject/Keywords etc.

Narrow down your search by clicking
the pull down menu

The screenshot shows a search interface with a search box containing the word "Search". To the right of the search box is a pull-down menu with the following options: "All content", "All content", "Journals & magazines", "Conferences", "Books", and "Reference Work". The "Journals & magazines" option is highlighted in blue. To the right of the pull-down menu is a blue "Search" button and a green "Advanced search" button. At the top right of the page, there are links for "Shopping cart", "Subscribe", "Contacts", and "Help".

Advanced search

Enter one or more search criteria below. Boolean AND, OR and NOT are supported (e.g. fuel AND cell). To find an exact phrase use the quotation mark (e.g. "fuel cell"). Use asterisks (*) to match partial words in fields (e.g. optic*).

With Advanced Search you can also search based on the names of specific authors and publication titles.

The advanced search interface includes the following fields and options:

- Search for:** A text input field.
- Search parameters:** A dropdown menu with options: "All of these words", "All of these words" (highlighted), "Some of these words", and "The exact phrase".
- Within the full text?:** A checkbox.
- This author:** A text input field.
- This title:** A text input field.
- This ISSN / ISBN or DOI:** A text input field.
- But don't search for:** A text input field.
- Search within:** A section header.
- This subject:** A dropdown menu with "All subjects" selected.
- This publication type:** A dropdown menu with "All content" selected.
- Search between these dates:** A section header.
- From:** A dropdown menu with "All years" selected.
- to:** A text input field.
- Sort results by:** A dropdown menu with "Relevance" selected.
- Search:** An orange button.

Search Result shows: No. of Articles in Particular Collection and one can filter search results by: Subject/Author/ Titles/Content type/Date of Publication and by Access Type etc.
