

Outreach Activity
Awareness Campaign of Biotechnology and Bioinformatics
On
18th October 2016

Dr. Y. M. Ragothaman, along with Dr. Saurabh Bansal and two students (Mr. Tushar Singh Barwal and Ms. Payal Kotvi) of Department of Biotechnology and Bioinformatics visited two schools in Kandaghat and Solan. We conducted an hour long session, which included a powerpoint presentation followed by interactive question and answer session.

1. Govt. Sr. Sec. School, Kandaghat (12:45 PM - 1:45 PM)

The science students of 11th and 12th class, comprising of 65 students, attended the lecture. Their Chemistry teacher gave the introduction and attended the session. The students were well-versed on many topics and were able to answer the questions posed to them. They were equally enthusiastic about visiting JUIT and getting exposure about Biotechnology and Bioinformatics.

2. Govt. Girls Sr. Sec. School, The Mall, Solan (4:00 PM - 5:00 PM)

We delivered a lecture to the science students of 11th and 12th class, comprising of 150 students, of the school followed by an interactive question and answer session. Mrs. Alpa Malik (Science Teacher) also attended the session. The students were found to be well-versed on several topics and were able to answer the questions posed to them. They were found to be very keen about visiting our campus JUIT, Wagnaghat and getting more exposure about the Biotechnology and Bioinformatics streams.
