

Artificial Intelligence and Entrepreneurship

It was a two day interactive seminar taken by JUIT Alumni's "Mr. Dhruv Batra" and "Mr. Prakshal Jain", 2017 Batch passouts. The seminar is on the future of Artificial Intelligence in Industries and its demand in Entrepreneurship. The four P's of marketing with the supervised and unsupervised learning in Artificial Intelligence were also discussed. The seminar involves topics of skills, knowledge, public speaking, technical skills, etc. It includes motivational stories of "Outliers", which covers the success stories of Bill Gates, Jeff Bezos, Steve Jobs, and Bill Joy and how they pitched up the right topic at right time.

The seminar, attended by JUIT students, aware the audience about the need of entrepreneurship and role of AI in it. The brainstorming session made everyone feel confident to realize the field in which they want to pursue their career.
