

JAYPEE INSTITUTE OF INFORMATION TECHNOLOGY

(Deemed to be University)

AICTE Approved | UGC Approved | NAAC Accredited | NIRF Ranked

Jaypee Higher Education System [JHES]

Invites applications for Teaching Associates (Gyanveers)

JHES, a cluster of four leading technical Universities; Jaypee Institute of Information Technology (JIIT), Noida (U.P), Jaypee University of Information Technology (JUIT), Waznaghat (H.P), Jaypee University of Engineering & Technology (JUET), Guna (M.P), and Jaypee University, Anoopshahr (U.P), invites applications under its newly launched scheme of **Teaching Associates (Gyanveers)** from bright B.Tech/BE students, who have fire in their belly to excel and do not believe in mediocracy and wish to play leading constructive roles through academia, research and innovation in transforming India as a modern developed nation. JHES believes that each one of such persons is bestowed with tremendous potential to excel which needs to be unlocked and harnessed under structured training, mentorship and able guidance.

The candidates having B.Tech/BE degree in areas of CSE/IT/ECE/BT/BI/Mech.E/Ch.E/CE or related specialization with CGPA > 7.5 (or equivalent marks) in relevant discipline shall be considered and inducted

through a structured selection process. This scheme shall be developing efficient trained pool of faculty members for JHES. The selected candidates will be admitted in various M.Tech Programmes in Jaypee Universities, as per their B.Tech/BE specialization and provided additional training and skills from leading academicians and researchers.

Selected candidates will work in an environment comprising of illustrious academicians from well known Universities and will have a never before exposure in research and innovation to become a pillar of strength in JHES, which is poised to be a higher education universe of teaching and learning for over 25000 students by 2030.

Selected candidates will be entitled for a fellowship of Rs.45,000/- per month and an additional amount of Rs.1,80,000/- at the end of first year and Rs.2,40,000/- at the end of second year, based on their overall performance. They shall be favorably considered for faculty positions in Jaypee Universities through assessment by a duly constituted Selection Committee.

Details of scheme are available on website of Jaypee Universities

JAYPEE EDUCATION SYSTEM

Teaching Associate (GyanVeer) Policy

A. Introduction

Hon'ble Chancellor desired that Jaypee Education System (JES) should bring out a policy of Teaching Associate (GyanVeer). It was indicated that somewhat similar scheme is used by DAE, GoI in capturing and harnessing needed talent in their recruitments. Under this proposed scheme, young and promising BE/BTech candidates shall be inducted for their training and grooming in JES. This will help in developing a talent pipeline of trained and competent manpower in JES.

B. Objectives

Following objectives shall be fulfilled by this scheme:

- This will help develop an efficiently trained pool of faculty members.
- This will enhance the retention of faculty members in our JES.
- This will help in grooming young minds having interest in Academics, Teaching and Research.

C. Eligibility

- The candidates having BTech/BE degree with CGPA of more than 7.5 (or equivalent marks) in relevant discipline shall be considered.

D. Application Process

- A central advertisement shall be given for all Jaypee Universities by JES.
- The candidates shall be preferably from leading Institutions like IITs/ NITs/ IIITs/ Others.

E. Evaluation Process

- The selection process of Teaching Associates (GyanVeers) will include the following components:
 - Entrance Test to gauge the academic and general knowledge of the candidate. One must obtain 60% marks in this test (60% weightage).
 - The academic credentials at 10th standard, 12th standard, BE/BTech level, and GATE Score (25% weightage).
 - The interview process (15% weightage). A psychological test to identify the inclination of a candidate to become a good teacher and researcher shall be an integral part of the interview process.

F. Compensation

- The Teaching Associates (GyanVeers) shall be entitled for a fellowship of Rs. 45,000/= per month. They will additionally be entitled for Rs. 1,80,000/= at the end of first year; and Rs. 2,40,000/= at the end of second year, based on their overall academic performance.
- The Teaching Associates (GyanVeers) shall also be entitled for a research grant of Rs. 50,000/= per year, to be used for consumables, contingency, and software etc. for research purpose.
- The Teaching Associates (GyanVeers) will initially be selected for a period of 2 years. They will be assessed after first year based on their overall performance in academics, training and other parameters.

- The Teaching Associates (GyanVeers) will have to furnish a bond **for an amount of Rs. 5,00,000/=**, that they will serve JES for at least 2 years after their joining in JES and they will also not leave during their fellowship period of 2 years.

G. Appointment in JES

- The Teaching Associates (GyanVeers) shall be considered by a selection committee for a position in JES after completing their ME/MTech degree.

H. Expectations by Teaching Associates (GyanVeers)

- Each Teaching Associate (GyanVeer) shall enrol herself/himself for a ME/MTech degree in JES.
- The Teaching Associates (GyanVeers) shall involve themselves in Teaching/ Research/ Innovation activities assigned to them in the Department.
- The Teaching Associates (GyanVeers) should involve themselves in learning pedagogy of the effective delivery.
- The Teaching Associates (GyanVeers) are also required to learn the art of documentation like writing reports including minor/major project reports, research articles etc.

I. General Conditions

- A total of 40 Teaching Associates (GyanVeers) may be inducted in JES, 20 in JIIT, 10 in JUIT, and 10 in JUET.
- Each Teaching Associate (GyanVeer) shall have a Senior Faculty Member as her/ his mentor from the concerned Department.
- A Teaching Associate (GyanVeer) may be assigned a 4-6 Hours Tutorial/ Practical teaching load.
- The Deans / VCs must interact on a regular basis with the Teaching Associates (GyanVeers) for their proper grooming in JES.
