IPR cell, JUIT Wagnaghat organized a webinar on “Some IPRs in the field of Computer Science” by Dr. Hemraj Saini, Co-coordinator, IPR cell on 6<sup>th</sup> December, 2021. The event was started at 3:00PM. Dr. Shruti Jain introduced Dr. Hemraj Saini to the audience and welcomed the invited speaker on behalf of IPR Cell Team. About 40 faculties, researchers, and students attended the event.

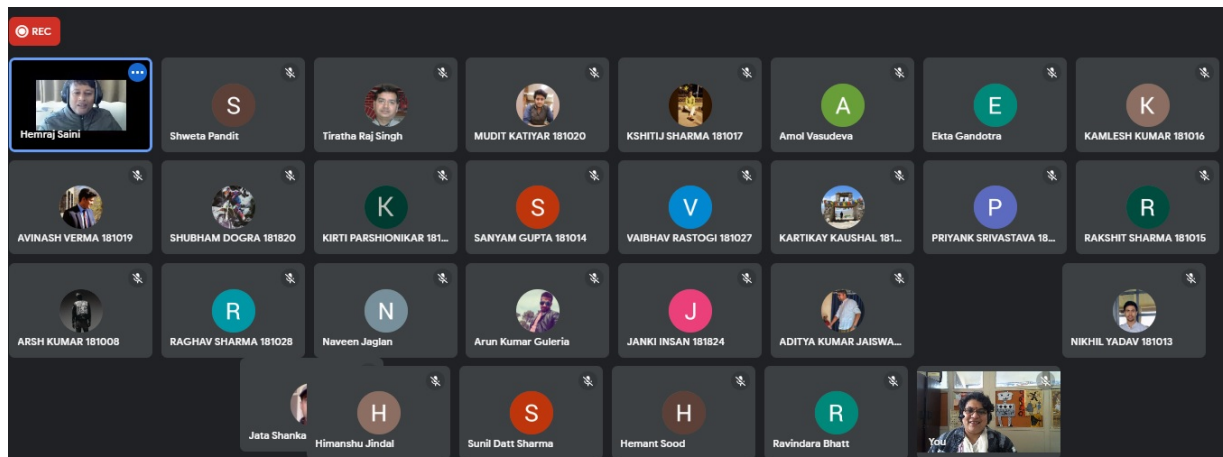

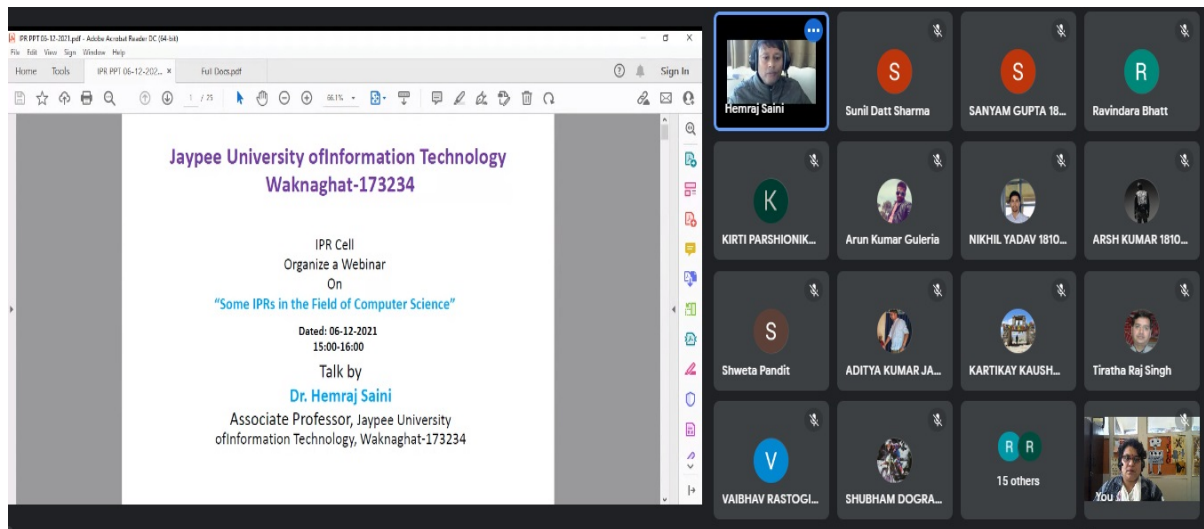

The following points were discussed for the audience during the event-

- Introduction to patent
- Importance of patent writing
- Contents of patent writing

- Different Important forms and fees structure
- Steps wise procedure to file a patent application through HIMCOSTE getting assistance from JUIT IPR Cell
- Topics, which the speaker tried in the field of CSE
- Patent resources

A more practical idea about filling the patent applications was discussed to encourage the patent filing by different faculty members and students. Various filled-In forms, ideas and the way to decide the different contents of a possible patent were discussed.

We hope that the event will encourage the audience to work towards filing the new patents through JUIT, IPR, Cell.
