Subject: Spoken Tutorial Study Material

Respected all,

As you all know, JUIT Solan has subscribed to Spoken Tutorial courses from IIT Bombay. These courses will help students to improve their subject knowledge and after appearing for a test, a certificate will be issued from IIT Bombay.

As per the schedule (Attached in the mail), subject material related to all courses in the schedule will be hosted in following address:

\\172.16.73.6\Computer Science\Rajinder Sandhu\Spoken Tutorial Course Material

All interested faculty members and students can download the material from this link.

Instructions for Training in Offline Mode

1. To begin the workshop, the participants have to open **index.html** file, which is present in the extracted folder.
2. To do so, right-click on **index.html** and choose **Open with Firefox** option.
3. Select the course and language from dropdown list. Click Submit
4. Now, follow the instructions given in the **Instruction** Sheet and begin learning.
5. We recommend that participants should follow the sequence of topics given in the **index.html** file for better learning.

For any further query, please contact.

Regards,
Dr. Rajinder Sandhu
Assistant Professor (Senior Grade)
Jaypee University of Information Technology,
Waknaghat, Solan, H.P.

NOTICE

Date: 29th August , 2018

SPOKEN TUTORIAL WORKSHOPS FOR STUDENTS

ODD SEM - 2018

The Spoken Tutorial project is the initiative of the "*Talk to a Teacher*" project of the **National Mission on Education** through **ICT**, launched by **MHRD, Govt of India** and developed at **IIT BOMBAY**. This project is teaching Free & Open Source Software (FOSS) like **Linux, Scilab, PHP & MySQL, LaTeX and Python etc.** to all college students of India. The mode of training is through **workshops, held at individual college campuses, with guidance and materials provided by IIT Bombay**. These workshops are of **2 hour duration** and **JUIT is subscribed to spoken tutorial**. After the workshop, an online exam is conducted by IIT Bombay and **certificates are awarded to the students**. **These certificates can act as game-changers in the students' career!** Students can achieve an edge in their CV by getting trained in some software and gaining experience in event management.

We are pleased to inform you that **Jaypee University of Information and Technology** has now become a **nodal centre** of whole Himachal Pradesh for conducting and organizing the various spoken tutorial workshops. In this semester we have planned a number of workshops for our students from various disciplines as per following calendar. Students are required to select an appropriate date of the workshop and get them registered with the undersigned before 14th September 2018.

Hackathon

Title: Hackathon (Theme: Smart City)

Date: 11th & 12th November, 2017

Venue: Lecture Theatre 1&2, Juit, Wagnaghat

Resource Organization:

ACM-JUIT student chapter, the primal active technical club of JUIT, Wagnaghat.

Chief Guest:

Tikender Singh Panwar, Ex-Deputy mayor of Shimla constituency. He is a social scientist by profession. Also, one of the few people who actively participated in making the tourist town of Shimla a part of 'Smart City Campaign' launched by the Government of India. He along with his team made a magnanimous contribution into installing smart street lights, taking down the accidents in Shimla by 60%.

About the event:

The theme of hackathon was 'Smart City', inspired by smart city mission of the Govt. of India. It was a 28 hours live event starting on 11th November, in the presence of Prof. S.P Ghrera (H.O.D Computer Science and IT Department, JUIT), Prof. Vinod Kumar (Vice Chancellor, JUIT), Prof. Sameer Dev Gupta (Director, JUIT), Prof. Pradeep Kumar Singh (Faculty Coordinator, ACM-JUIT). It was open for all; students from various universities came forward with their innovative ideas to participate in this event. Participants were supposed to create software/hardware applications which when implemented in real life would simplify life, solve problems and make the city smarter. On 12th evening, all the 120 students were ready with their projects and presentations, which were judged on various parameters by Ex- Deputy Mayor Mr. Tikender Singh Panwar, Faculty Coordinator Dr. Pradeep Kumar Singh and Dr. Punit Gupta.

The top 10 teams were rewarded with cash prize of ₹51,000. The top position was secured by team 'T-@rt (Technical Art)', who presented the idea of automated street lights. The runner up team was '2Lazy', who presented an application 'Go Easy- which tells about the real time crowd at a place'. Other ideas like pothole detector, smart dustbin, medicate were highly appreciated.

Workshop on **Engineering and Entrepreneurship: A step towards fulfilling dreams**

A workshop on Engineering and Entrepreneurship was organized by Technology Innovation and Entrepreneurship Development Cell (TIEDC), JUIT on Nov 16th and Nov 17th, 2017. Aim of the workshop was to help 3rd and 4th year students in improving the entrepreneurship skills and motivate them for their future goals towards the same. The workshop was designed to impart essential knowledge of individual's personality, teams, opportunity recognition, business model canvas, and pitching.

Dr. Vinay Kumar , Assistant Professor, ECE Department, Thapar University and Dr. Anita Sharma, Assistant Professor of Entrepreneurship, Thapar University were the Keynote speakers of the workshop. The workshop was attended by more than 60 students.

29-30 January 2018

Artificial Intelligence and Entrepreneurship

It was a two day interactive seminar taken by JUIT Alumni's "Mr. Dhruv Batra" and "Mr. Prakshal Jain", 2017 Batch passouts. The seminar is on the future of Artificial Intelligence in Industries and its demand in Entrepreneurship. The four P's of marketing with the supervised and unsupervised learning in Artificial Intelligence were also discussed. The seminar involves topics of skills, knowledge, public speaking, technical skills, etc. It includes motivational stories of "Outliers", which covers the success stories of Bill Gates, Jeff Bezos, Steve Jobs, and Bill Joy and how they pitched up the right topic at right time.

The seminar, attended by JUIT students, aware the audience about the need of entrepreneurship and role of AI in it. The brainstorming session made everyone feel confident to realize the field in which they want to pursue their career.

R & D EXPO 2018

(13th - 14th April 2018)

IEEE JUIT Student Branch in collaboration with TIED Cell of Jaypee University of Information Technology organized a technical event "R&D Expo" for aspirants with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. This event was organized with the objective to provide platform for the students to showcase their talent with a competitive spirit. Before the commencement of main events our honorable Chief Guests Mr. Tarun Banga (Consultant: Setting up TCoE for Automation / Mobile Testing) and Mr. Alok Kumar Prasad (Associate Vice President, HCL Technologies) shared their experience and vast knowledge in the field of technology, among the aspiring students of JUIT.

IEEE JUIT Student Branch also launched its newsletter "TECHNOVISION" for the session 2017-18.

The event was successful enough to attract as many as 150 registrations for two-day event which included both Hardware and Software project exhibition as well as Poster Presentation. There were around 17, 12 and 16 Software Projects, Hardware Projects and Posters, respectively. Some of the JUIT faculties were judging the projects. As far as poster presentation event is into consideration, many innovative ideas were displayed by the students and were acknowledged and all three tracks were judged by our Chief Guests.

Projects that bagged prizes in R&D Expo were:

1. Software:
 - a. Lab Automation System

- b. All Safe
 - c. Net Banking
- 2. Hardware:
 - a. Hello Leaf
 - b. Keyboard for Blind, based on Braille
 - c. Electromusical Arm
- 3. Poster:
 - a. Automated Water Monitoring System using IoT and Reflectometry
 - b. FOG Solution
 - c. Self Driving Car

The winners were encouraged with cash prizes, Amazon vouchers, and lots of goodies, almost for all the events. IEEE JUIT Student Branch and TIED Cell feel proud to organize such a successful event and would like to convey thanks to management for their cooperation for organizing successful event.

Student Research Convention-2018

Student Research Convention-2018 was jointly organized by Technology Innovation and Entrepreneurship Development Cell (TIEDC), JUIT and ACM, JUIT student chapter on 9th Feb 2018. Aim of the convention was to identify and nurture the research talents among young researchers. For this total of 22 projects were accepted for poster presentation under 4 tracks: CSE&ECE, ICT, Civil, and BT & BI. This posters were judged by Dr. Yashwant Singh, Associate Professor, Department of Computer Science and IT, Central University of Jammu; Dr. Jata Shankar, Associate Professor, BT and BI Department, JUIT; Dr. Udayabanu, M, Assistant Professor, BT and BI Department, JUIT; and Dr. Harsh Sohal, Assistant Professor, ECE Department, JUIT. They judged the projects for the following five points: (i) Clarity in the idea, (ii) Innovation in the idea, (iii) Importance of the problem, (iv) Commercial Potential, and (v) Feasibility. Based on the total points scored, best three projects were awarded in each track. First awardee was given a coupons of Rs 2500/-, second awardee was given a coupons of Rs 1500/-, and third awardee was given a coupons of Rs 1000/-.
