Hinweise zur Rechtsbehelfsbelehrung

Bitte beachten Sie, dass eine Klage gemäß § 80 Absatz 2 Satz 1 Nummer 1 Verwaltungsgerichtsordnung (VwGO) keine aufschiebende Wirkung entfaltet und Sie daher eine Klageerhebung nicht von der Zahlungspflicht entbindet. Dies gilt im Übrigen auch für den Fall, dass Sie einen Antrag auf Befreiung von der Studiengebühr bei der Eberhard Karls Universität Tübingen stellen sollten.

ONLY THE GERMAN VERSION OF THIS OFFICIAL NOTIFICATION IS LEGALLY BINDING. THE ENGLISH VERSION IS SOLELY PROVIDED FOR INFORMATION PURPOSES.

Tuition Fees for International Students
Regarding: Subject and Degree (see German version)
Official Notification of Tuition Fees

Dear Sir or Madam,

We hereby issue the following

Official Notification of Tuition Fees:

- 1. You are obliged to pay the tuition fee of EUR 1,500 per semester to the Eberhard Karls Universität Tübingen for a first degree program or consecutive master's program at the Eberhard Karls Universität Tübingen.
- 2. The tuition fee for your first semester winter semester 2022/2023 is due, in full, upon submission of the application for enrollment. The tuition fees for the following semesters are due on re-enrollment until 15 February for each summer semester and until 15 August for each winter semester.
- 3. This Official Notification of Tuition Fees will become devoid of purpose
 - a) if you are not enrolled in the admitted study programme at the Eberhard Karls Universität Tübingen on winter semester 2022/ 2023,
 - b) upon termination of your enrollment according to § 4 paragraph (2) items (2) and (3) of the Act on Fees in Higher Education of the Land of Baden-Württemberg (Landeshochschulgebührengesetz, LHGebG),
 - if you present proof to the University that you are a citizen of a European Union (EU) or European Economic Area (EEA) country,
 - d) if you present proof that you have a German higher education entrance qualification as defined by § 3 paragraph (2) LHGebG.

IV Studierende

I. Reasons

The legal basis for the collection of tuition fees is § 3 paragraph (1) of the Act on Fees in Higher Education of the Land of Baden-Württemberg (Landeshochschulgebührengesetz, LHGebG). The Act stipulates that the higher education institution charges tuition fees for students who are not nationals of an EU member state or a state party to the Agreement on the European Economic Area ("international students"), and who are taking up a first degree program or consecutive master's program at the institution.

According to § 4 paragraph (1) item (1) LHGebG, the tuition fees for international students amount to EUR 1,500 per semester. You are an international student as defined in § 3 paragraph (1) LHGebG. Any exception under § 5 LHGebG could not be terminated. You are therefore subject to the tuition fee.

Upon online enrollment, you will receive the invoice including details of the bank account into which you must transfer the tuition fee upon receipt of the invoice. Payments for subsequent semesters are to be transferred to the University of Tübingen within the respective re-enrollment period.

II. Electronic procedure

The University of Tübingen carries out the fee collection electronically. In particular, hearings, communications and decisions in connection with the collection of fees as well as notification of decisions, are made electronically.

III. Information on rights to appeal

You can appeal this notification at the Verwaltungsgericht Sigmaringen, Karlstraße 13, 72488 Sigmaringen, within one month of its issuance.

Signed: Christiane Topp

Head of Student Administration

This notice was issued electronically and is valid without signature in accordance with § 37 paragraph (5) of the Administrative Procedure Act of Baden-Württemberg (Landesverwaltungsverfahrensgesetz, LVwVfG).

Please note

Payment of the tuition fee

Please note that enrollment and re-enrollment can only be completed after the tuition fee and any other required fees (usually student services fee, administration fee and student union fee) have been paid. You will receive the invoice during online enrollment from your ALMA student account via the ALMA portal: https://alma.uni-tuebingen.de. After dealing with your complete documents at Student Administration and the payment of the tuition fee and the other required fees, you will get the certificate of enrolment. You can retrieve and print the certificate of enrolment from your ALMA student account only. From there you can access the "Study Service" area via the "My Studies" menu item. Here you will find the certificate of enrolment in the "Certificates" tab.

Exceptions

If you wish to claim an "exception" from tuition fees, you have to complete the "Information Form for International Students" and send it, together with the relevant supporting documents, by post to Student Administration within two weeks. You can find the form at: https://www.uni-tuebingen.de/de/104484. All exceptions are listed in the "Information Form for International Students".

IV Studierende

Exemptions

Upon application, students may be exempted from the tuition fee

- for an academic leave of absence if the application for an academic leave of absence was submitted before the beginning of the lecture period,
- for semesters during which they are completing a placement year in accordance with the Licensing Regulations for Physicians (Approbationsordnung für Ärzte),
- for a placement semester which is part of their regular studies,
- if they have been granted permission to remain pending the asylum decision according to § 55 paragraph (1) of the Asylum Act (Asylgesetz, AsylG) and are a national of a country with a recognition rate of at least 50%,
- if they have a disability as defined by § 2 of the Ninth Social Code (Neuntes Sozialgesetzbuch, SGB IX) which causes them considerable difficulties during their studies.

Important: According to § 10 paragraph (3) item (2) LHGebG, applications for an exemption from the tuition fee must be submitted at the latest before the beginning of the respective lecture period. You can find information on the lecture period under https://uni-tuebingen.de/de/4168. Please use the forms available at https://www.uni-tuebingen.de/de/104484.

Obligation to cooperate

According to § 10 paragraph (1) item (3) LHGebG, you are obliged to immediately disclose any changes relevant for the obligation to pay tuition fees, the fulfillment of the exception criteria, the exemption from or reduction of tuition fees, or which have been object of declarations relevant for the obligation to pay tuition fees, the fulfillment of the exception criteria, the exemption from or reduction of tuition fees.

Refund

Tuition fees, which have already been paid, may be reimbursed,

- if you withdraw your enrollment before the beginning of the semester.
- if your enrollment is terminated following the start of semester but within one month of the start of the lecture period (In this case you must submit both an application for termination of enrollment and an application for a refund to Student Administration. Both application forms you can find under: https://uni-tuebingen.de/en/851),
- if a tuition fee was charged because, even though the requirements for a legal exception had been met, the requirements could not be documented at the time of enrollment or re-enrollment,
- if the requirements for a legal exception will be met within one month of the start of the university lecture period,
- if your application for an exemption from the tuition fee is approved.

Notes on the right to appeal

Please note that any appeal under § 80 paragraph (2) item (1) number (1) Verwaltungsgerichtsordnung (VwGO) does not have the effect of suspending the process and does not release you from payment obligations. This is also the case if you apply to be exempted from tuition fees at the University of Tübingen.

Marie in order to complete the required fieldwork placement in the fourth semester**. Students should plan financially for these placements, as any expenses related to out of town travel and accommodations during fieldwork will be the responsibility of each student.

Please Note: All original placement documentation must be submitted to the appropriate college contact (listed above) by the program mandated deadlines. It is the responsibility of the student to keep up-to-date clinical and placement requirement documentation (and copies) to present to faculty and/or placement agencies as required. The College does not retain copies of any placement requirements.

Students are responsible for the full cost of obtaining placement requirements. Tuition is not refunded if access to clinical placement is denied or if proof of requirements is not submitted within the required timeframes mentioned above.

For the list of what you are required to have, please refer to the Placement Requirement At-A Glance chart below.

Clinical and Placement Requirement Specifics:

All Clinical and Placement requirements such as Standard First Aid, CPR/CPR – BLS, N95 Mask Fit tests, WHIMIS, Police Vulnerable Sector Check must be obtained after your arrival in Ontario.

Sault College cannot guarantee that appointment dates or course times to obtain your clinical and placement requirements will be available prior to identified program deadlines. If necessary, a list of available resources within the community can be provided.

Standard First Aid, CPR - BLS, and the N95 Mask Fit Test are offered through Sault College's Continuing Education Department. You may register and pay for these required courses online through your Sault College Student Portal: Go to "My Records" and select the Continuing Education Course Registration link. You may also access these courses through other providers as long as they meet the clinical/placement requirement specifications.

WHMIS - The WHMIS course is available to registered students free of charge on LMS (Learning Management System). Registration takes place after mid-August and mid-December when tuition has been paid. The WHMIS course can be found on the Program Home Page. Once the WHMIS course is successfully completed with a grade of 80% or greater, you will receive notice approximately 20 minutes later on LMS of a link to your Certificate of Completion.

Police Vulnerable Sector Check (PVSC):

Students will be advised of the process to obtain a Police Vulnerable Sector Check during the first month of the first semester or when field placements are confirmed.

If your program requires a Police Vulnerable Sector Check (PVSC):

The laws, rules and regulations regarding the acquisition of a criminal record check and the Sault College Criminal Record Check Policy shall be enforced and applied in accordance a manner consistent with the Ontario *Human Rights Code*, the *Police Record Checks Reform Act*, 2015 and all other applicable statutes or regulations.

Why is a Police Vulnerable Sector Check necessary?

Sault College placements are bound by this policy and the policies of placement providers. Given this, the purpose of a police vulnerable sector check includes but is not limited to the following:

- 1. The protection of vulnerable persons;
- 2. The protection of the interests of students;
- 3. The protection of the interests of the placement agencies; and
- 4. The protection of the interests of the College and its employees.

Individuals who have charges, pending charges or a criminal conviction for which record suspension has not been granted, must contact the College Contact listed above for their program. A meeting will be scheduled with the Chair to discuss their ability to participate in experiential learning in order to complete all program graduation requirements. If a student fails to disclose this information, their academic status will be adversely affective. Prospective students should know that if a criminal record exists, the student's ability to complete the academic requirements and graduate from their program may be in jeopardy.

Questions: If you have any questions about any of the placement requirements and the submission of these documents, please contact your College Contact listed above for your program.

Immunizations:

Notice to International Students: The necessary immunizations for your program (see chart below) can be obtained from your home country and will need to be translated. You will need to submit these immunization records along with the Sault College Health Form to the Sault College Health Centre.

All other requirements (Standard First Aid, CPR, WHMIS, N95 Mask Fit, Police Vulnerable Sector Check) <u>must be completed after your arrival in Ontario and submitted on or before the dates listed in the chart above.</u>

International students completing a program with a practicum (field/clinical placement) component must obtain a Co-op/Work Permit from Immigration, Refugees and Citizenship Canada stating that they are permitted to attend practicum as an integral part of their studies. International students will not be able to attend placement without obtaining this permit.

What do you enjoy most about living in residence?

ALYSSA

I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also

can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my floor mates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

EMILY

I enjoy the community and the RA's. Because of the multiple residence events it is a great way to make friends and to feel

less alone especially when you aren't from Windsor. I would recommend residence to anybody, especially for first year. It's a safe, supportive place to live when you have never lived alone before. It gives you the experience to begin adulthood, but with helpful outlets.

CALEB

I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Be-

ing close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.

WE WELCOME YOU BACK!

After first year, you're welcome to come back to the UWindsor Residence!

Return to residence and you will be guaranteed a single room – and you can choose the room if you

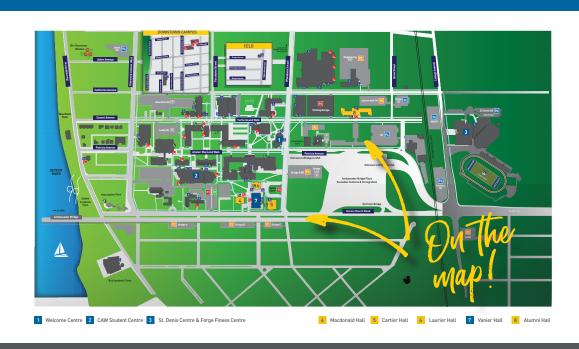

apply by the deadline date. You can apply to return to Residence every year you are a student at the University of Windsor!
