International Youth Day (IYD) on 12th Aug 2025

Himachal Pradesh State AIDS Control Society (HPSACS) has organized a State Level Event on the occasion of International Youth Day (IYD) on 12th August 2025 at Peterhoff, Shimla. The event aims to sensitize youth on HIV/AIDS prevention, promote healthy lifestyles, and encourage their active involvement in awareness-building activities.

The NSS volunteers of JUIT participated in the event in the gracious presence of the Honorable Chief Minister of Himachal Pradesh. The event brought together students from various colleges, united by a shared commitment to learn, share, and advocate for this vital cause. More than just a gathering, it became a movement, a pledge by the youth to challenge misinformation, dismantle barriers, and replace stigma with empathy. The day sent out a powerful message: when young voices rise together for a purpose, they have the power to transform the narrative for generations to come.
