

National Service Scheme (NSS)

NSS Day Celebration 24th September 2025

Venue: Human Hope Foundation, New Shimla

NSS Day is celebrated every year on 24th September to mark the foundation of the National Service Scheme in 1969. It is an occasion that reminds young volunteers of their responsibility to society and their role in contributing towards national development through service, compassion, and social awareness.

The NSS Day celebration organized by the JUIT NSS Unit at the Human Hope Foundation, New Shimla premises brought together 20 children and dedicated volunteers for a day filled with joy, learning, and inspiration. The volunteers engaged the children in interactive games and ice-breaking activities to create a comfortable and cheerful atmosphere. These initial interactions helped foster bonds between the volunteers and children, setting a positive tone for the activities to follow. A short but impactful career counselling workshop was then conducted, aiming to motivate children to think about their future aspirations. The volunteers shared motivational stories and real-life examples, emphasizing the importance of education and perseverance in turning dreams into reality.

The highlight of the event was the Dream Tree Activity, where each child was encouraged to write down their future ambitions and paste their notes on a symbolic tree chart. This collective Dream Tree served as a powerful visual of hope, ambition, and shared aspirations, inspiring children to openly express their dreams and visualize their futures creatively. To further support their educational journey, every child received stationery items such as registers, pencil kits, and pens, which were highly appreciated and seen as practical tools to motivate continued learning. The celebration concluded with a joyful cake-cutting ceremony, followed by refreshments including cake, fruit juice, samosas, and Dark Fantasy choco rolls, which created an atmosphere of laughter and excitement. The event had a significant positive impact, with children feeling motivated and supported, many expressing their enthusiasm about pursuing

their dreams seriously. The distribution of stationery was also valued as a meaningful gesture encouraging their studies.

For the volunteers, the experience was deeply fulfilling, reinforcing the importance of community engagement, empathy, and youth involvement in societal development. It strengthened their resolve to continue participating in outreach programs, embodying the NSS motto: 'Not Me, But You.' Overall, the NSS Day 2025 celebration at Human Hope Foundation was a memorable occasion that combined education, fun, and community service, leaving behind a lasting impression of hope and inspiration. The event demonstrated how small acts of kindness and encouragement can profoundly influence young minds, fostering confidence and a spirit of determination, while highlighting the vital role of service with compassion and responsibility.

Key Highlights

- Warm Welcome & Games: Volunteers engaged children with fun games and interactive sessions to build rapport.
- Career Counselling Workshop: Provided awareness about education, hard work, and career opportunities.
- Dream Tree Activity: Children wrote down their ambitions and pasted them on a symbolic tree to represent their dreams.
- Distribution of Gifts: Each child received registers, pencil kits, and pens as encouragement for their studies.
- Cake-Cutting Ceremony: Marked the celebration of NSS Day in a joyful and memorable way.
- Refreshments: Children were treated with cake, juice, samosas, and Dark Fantasy snacks, creating a festive atmosphere.
