Viksit Bharat Youth Parliament 2025 at District Level

18th & 20th March 2025

Venue: Jaypee University of Information Technology

The second round of the Viksit Bharat Youth Parliament 2025, organized by the Ministry of Youth Affairs and Sports of the Government of India, was a landmark event that took place at Jaypee University of Information Technology (JUIT), which was designated as the Nodal Center for the Shimla and Kinnaur districts. This highly anticipated event, held on March 18 and March 20, 2025, was meticulously coordinated by the NSS Unit of JUIT, with the primary goal of fostering active youth participation in democratic processes and encouraging meaningful dialogue on critical national issues.

The journey to this stage began with a broad outreach, where 150 enthusiastic candidates from Shimla and Kinnaur, having previously submitted one-minute videos on the theme "What does Viksit Bharat mean to you?" via the My Bharat Portal, were shortlisted based on their creative and thoughtful responses.

The district-level event was inaugurated with great enthusiasm, with notable attendance from university officials, jury members, faculty members, and motivated youth participants, all of whom shared a collective commitment to strengthening democratic values. Over the course of two days, each participant delivered compelling presentations on the theme "One Nation, One Election," demonstrating their understanding and vision for a unified and efficient electoral process.

The jury, comprising eminent personalities such as Dr. Sandhya Sharma, Ms. Deepika Sharma, Dr. Puneet Bhushan, Ms. Sheetal Sharma Vyas, and Dr. Neena Jindal, evaluated each presentation based on clarity, originality, and depth of insight. Their rigorous assessment culminated in the selection of ten highly promising candidates—among them Ananya Negi, Yogesh, Anirudh Thakur, and others—who demonstrated exceptional potential and a deep sense of civic responsibility.

This comprehensive initiative aligns with the government's broader vision of building a progressive, inclusive, and self-reliant India by empowering youth to become active participants in the democratic process, fostering leadership qualities, and promoting awareness of core national issues. The event not only provided a platform for young voices to be heard but also inspired a new generation of informed citizens committed to shaping the future of India through dialogue, debate, and active civic engagement.
