

Jaypee University of Information Technology Waknaghat-173234

Date: 17th February, 2017

Notice

Greetings of the day !

It is our pleasure to introduce to you The Virtual Labs, a Mission Project developed under the aegis of National Mission on Education through ICT (NMEICT), MHRD, Govt of India.

As you know, good lab facilities and updated lab experiments are critical for any engineering college. Physical distances and the limited availability of resources often put restrictions on conducting experiments especially, when they involve sophisticated instruments. These labs have been designed to provide remote access to labs in various disciplines of Science and Engineering and would cater to students at the Undergraduate level, Postgraduate level and Research Scholars as well. Virtual Labs enable the students to learn at their own pace, and entuse them to conduct experiments and also provide a complete Learning Management System (LMS) where the students can avail various tools for learning, including additional web-resources, video-lectures, animated demonstration and self-evaluation. These labs can be used to complement Physical Labs and enable the user to perform experiments remotely as an on-demand service over the web. They do not require any additional infrastructural setup for conducting experiments at the user premises. One computer terminal with broadband internet connectivity is all that is needed to perform the experiments remotely. Over 100 Virtual Labs are currently ready for use and available at one common website: "www.vlab.co.in".

We are very obliged to invite you to attend a free workshop on Virtual Labs as per given schedule:

Venue: Jaypee University of Information & Technology, Himachal Pradesh

Date: 28 February, 2017

Time: 10:00 AM - 04:30 PM

You may also nominate faculty members from the respective departments i.e (ECE /EE, CSE/IT, APP SCIENCES). Kindly visit the link given below for online registration on or before 23 February, 2017 to attend the workshop. Pr-registration is mandatory.

" <http://209.211.220.205/worksh op1/> "

Registration closes on **23 February , 2017 at 12:00 Noon .**

Candidates receiving the confirmation e-mail would only be entertained.

We are looking forward to welcome you at Jaypee University of Information & Technology, Himachal Pradesh. Kindly feel free to ask any queries related to Virtual Labs in given below contact number.

Thank You

Dr. Hemraj Saini
Department of Computer Science &
Engineering
JUIT, Waknaghat-173234
