Educational Visit to the Department of Biotechnology and Bioinformatics

Students of Class XI and XII from MRA DAV,Solan , visited the Department of Biotechnology and Bioinformatics on 10th October 2026 as part of an educational visit. During the visit, Prof. Jata Shankar, Head of the Department, interacted with the students and familiarized them with basic biological concepts and terminology. He also introduced them to fundamental research concepts, different types of experiments, and various research activities currently being carried out in the department.

Prof Hemant Sood provided them visit to all research facilities in the department which includes laboratory of Microbiology, Genomics, Bioprocess, Proteomics, Plant and Animal Tissue Culture and Glasshouse. The visit was an informative and enriching learning experience for the students, helping them develop an understanding of different streams of applied basic biology and ongoing research activities in the field of biotechnology.
