

**ACADEMIC INSTITUTION VISIT TO
CSIR - Institute of Himalayan Bioresource Technology, Palampur
& CSK-Himachal Pradesh Agriculture University, Palampur
Himachal Pradesh – 176062**

An educational /research excursion was organised for the IIIrd year Biotechnology students from 16th April, 2018 to 19th April 2018. Dr Abhishek and Dr. Jitendraa along with IIIrd year students visited different labs of to Institute of Himalayan Bioresource Technology (IHBT) and CSK-Himachal Pradesh Agriculture University Palampur of Himachal Pradesh which are known for their repute national level in the area of Himalayan biotechnology research.

The purpose of visit was to educate the students towards various current research activities which have been practised in the premier research labs in government sector. Major visit of labs was done in ‘natural product chemistry and process development’; advance molecular biology lab; plant biotechnology labs and ‘aeroponics & hydroponics labs’. Students were also visited central instrument facility of IHBT where students got a chance of demonstration of state of art biotechnology instruments. During the visit, students interacted with various scientists and discussed the basics of various research programmes in IHBT.
