An outreach activity was planned and conducted by Jaypee University of Information Technology, Solan at various Schools and Colleges of Rampur Bushahr, Shimla region of Himachal Pradesh from December 19, 2024 to December 21, 2024.

The outreach activity was Coordinated and conducted by Dr. Rahul Shrivastava (Department of Biotechnology and Bioinformatics), Dr. Tanmay Gupta (Department of Civil Engineering), and Mr. Praveen Kumar (Admission Cell).

The primary objective of the outreach program at Rampur Bushahr was to conduct Science, Technology, Engineering and Math (STEM) QUEST – a multiple choice a National Level Quiz Competition organized by JUIT, Solan at various Schools; and Graduate Aptitude Test – Biotechnology (GAT-B) Mock test at Government Degree College, Rampur.

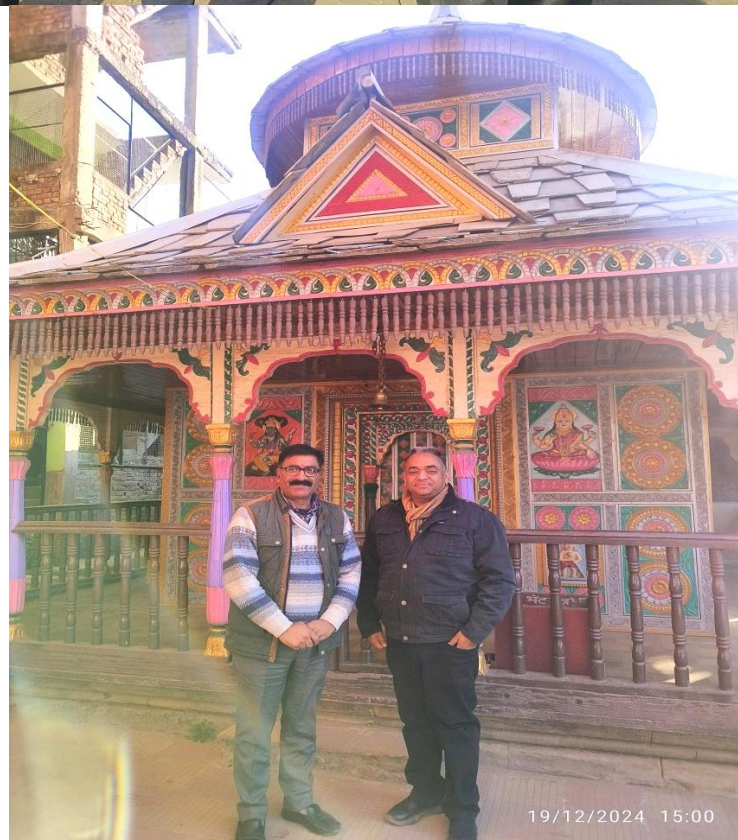

The event aimed to engage students in a meaningful way, offer guidance and support for their academic and personal development, and encourage community involvement. The outreach event consisted of the following key activities:

- i. A detailed discussion focused on various professional fields, skill development, and educational pathways after high school.
- ii. Conducting JUIT STEM Quiz.
- iii. GAT-B Mock test at Government Degree College, Rampur.

The outreach program at Rampur was a successful initiative, fostering positive student engagement and offering valuable educational and personal development opportunities. It was well-received by both the students and faculty, and we look forward to continuing our partnership with the schools to further support their educational goals. All the questions were answered by Dr. Rahul Shrivastava, Dr. Tanmay Gupta, and Mr. Praveen Kumar.
