Outreach Visit to MDN Global School and DAV Police Public School, Kaithal, Haryana on 16th November 2026

Purpose of the Visit: To create awareness among school students about the academic programmes offered by Jaypee University of Information Technology (JUIT), its areas of study, and the career opportunities available after pursuing higher education at the university.

1. Visit to MDN Global School, Kaithal

A school outreach visit was conducted at MDN Global School, Kaithal, Haryana, with the participation of more than 100 students. During the visit, students were introduced to Jaypee University of Information Technology (JUIT) and briefed about the various academic programmes offered by the university.

The session highlighted the academic opportunities available at JUIT, the scope of different programmes, and the potential career pathways associated with them. Students were encouraged to explore higher education opportunities and understand how choosing the right academic programme can help them achieve their career goals.

2. Visit to DAV Police Public School, Kaithal

A similar outreach session was conducted at DAV Police Public School, Kaithal, Haryana, which was attended by more than 150 students. The students were briefed about the programmes running at JUIT, the university's academic offerings, and the future scope of various disciplines.

The interaction aimed to familiarize students with the opportunities available in higher education and help them understand the academic and professional prospects associated with the programmes offered by JUIT.

The outreach visits to MDN Global School and DAV Police School, Kaithal, Haryana, were successfully conducted as part of the university's student awareness and outreach initiative. More than 250 students participated in the sessions across both schools. The students were informed about the academic programmes offered by JUIT, their scope, and the career opportunities associated with them.
