Report on Outreach Activity at Army Public School, Dagshai

As part of the institutional outreach activity, a career counseling and awareness camp was conducted at School fair organized by Army Public School, Dagshai. The primary objective of the visit was to guide school students regarding higher education pathways, career opportunities and the academic programs offered at Jaypee University of Information Technology (JUIT).

Students from Classes X, XI, and XII visited the JUIT counseling stall, and approximately 50 students interacted with us for career guidance and information about the courses offered. Students were guided on various career options in engineering, biotechnology, computer science and allied disciplines. The importance of aligning personal interests with career choices was emphasized. Detailed information was provided about the undergraduate courses offered at Jaypee University of Information Technology. Students asked questions regarding career prospects, campus life, placements and course structures. Their doubts were addressed to help them make informed decisions after Class XII.

The outreach team comprised of Dr. Tyson and Mrs. Jyoti Sharma, representing Jaypee University of Information Technology. Both members jointly conducted the presentation and interacted with students and teachers of the school.

The outreach activity was successful in fulfilling its objective of career guidance and university awareness. The interaction with the students was encouraging and similar engagements in the future will further enhance student understanding of higher education opportunities.

Report Prepared by

Dr. Tyson
