Outreach Activity at JCB Senior Seconday School New Shimla and Chapslee School, Elysium Hill, Shimla
Date 25rd November 2025

Coordinators: Dr. Anil Kant (BT/BI) and Ms. Deepalika Thakur (Admission Cell).

An outreach activity was conducted on 25th November 2025 at JCB, Senior Secondary School, New Shimla and Chapslee School, Elysium Hill, Shimla. Dr. Anil Kant addressed approximately 100 students at JCB Senior Secondary School and around 50 students at Chapslee School of the 10+2 level**,** in two separate sessions at the respective institutions.

During the sessions, Dr. Anil Kant briefed the students on the importance and long-term impact of the decision they will soon be taking regarding higher their education—including the selection of a degree program and the choice of university or college. He emphasized that these decisions play a crucial role in shaping one's career and remain influential throughout life. He also highlighted the significance of quality education and important parameters to consider while selecting an institution, such as:

- Qualification, Educational background and experience of faculty
- Infrastructure and learning facilities
- Academic quality, research facilities and opportunities
- Academic culture and peer groups
- Institutional recognition, credibility, and perception.

Dr. Anil Kant elaborated on how Jaypee University of Information Technology (JUIT), Waknaghat, Solan H.P. stands out among private universities in terms of these parameters, and overall student development, and our alumni working in many MNCs worldwide, and accomplished Masters, doctoral and post doctoral level programs in world top ranking Universities including US, Europe. He also presented some date points of placement record of JUIT, including percent offers, average and highest packages JUITian have got in recent past. Students were guided about the scope and future prospects of various programs offered at JUIT, including:

- Computer Science & Engineering, Artificial Intelligence / Machine Learning / Data Science,
- Electronics & Communication Engineering,
- Biotechnology & Bioinformatics,
- Civil Engineering,
- Mathematical Computing,
- BBA and MBA programs.

A few students raised queries about co-curricular and extracurricular activities, to which they were informed about the Jaypee Youth Club (JYC) and its associated clubs and committees, along with the major activities undertaken throughout the academic year to support holistic development.
