# Exposure Tour of Monal Public School Students to JUIT

A visit of students from Class 12th of Monal Public School, Shimla, was organized to Jaypee University of Information Technology (JUIT) on 26 December 2025 as part of their academic exposure program. The visit aimed to familiarize the students with the academic environment, infrastructure, and learning opportunities available at the university. During the visit, the students first visited the Biotechnology and Bioinformatics Department, where they were introduced to the academic programs, research facilities, and emerging areas of the discipline. Various laboratories of the department were showcased, and the relevance and applications of different instruments were explained in detail to help students understand their practical significance. The students were taken to the Genomics Technology Laboratory, High-End Instrumentation Laboratory, and several undergraduate and postgraduate laboratories, along with visit to the greenhouse and the PTC laboratory. Prof. Jata Shankar, the Head of Department, interacted with the students and highlighted the wide range of career opportunities available in the fields of Biotechnology and Bioinformatics, including prospects in research, healthcare, pharmaceuticals, agriculture, data-driven biology, and higher education. After the visit to the Biotechnology and Bioinformatics Department, the students also visited the Electronics and Communication Engineering (ECE) Department, followed by the Humanities and Social Sciences (HSS) Department, where they were briefed about interdisciplinary learning, technological advancements, and holistic skill development. The visit proved to be informative and beneficial, providing valuable academic exposure and practical insights into the multidisciplinary academic programs offered at the university.
