(Established by H.P. State Legislature vide Act No. 14 of 2002)

Objective-

The event was organized by TIEDC on the occasion of National Entrepreneurship Day with the objective of promoting entrepreneurial awareness and innovation among students on 9th November 2025. The primary aim of the event was to help students understand how real-world market problems can be identified and transformed into feasible startup ideas. The initiative focused on encouraging creative thinking, structured problem-solving, and confident communication, while introducing participants to the fundamentals of entrepreneurship and startup development.

Overview-

The event was designed to provide students with both conceptual understanding and practical exposure to entrepreneurship through interactive sessions and guided learning.

Entrepreneurship Awareness & Ideation Session

- ❖ The session began with an introduction to entrepreneurship and the role of startups in addressing market gaps. Students were guided on identifying real-life problems, understanding customer needs, and evaluating the potential of an idea before converting it into a business solution. The approach emphasized problem-first thinking rather than solution-first ideation, enabling participants to think critically about market relevance.

Business Idea Pitching Workshop

- ❖ A dedicated workshop was conducted to familiarize students with the fundamentals of pitching a business idea. Participants learned how to structure a pitch by clearly defining the problem, presenting a logical solution, identifying the target market, and explaining the feasibility of the idea. Emphasis was placed on clarity, confidence, and effective communication. Students actively engaged in pitching practice and received constructive feedback.

Learning Outcomes and Skill Development-

- Strengthened innovation, problem-solving, and critical-thinking abilities.
- Developed a clear understanding of market-oriented problem identification
- Gained practical exposure to converting ideas into structured startup concepts
- Enhanced communication, presentation, and analytical skills through pitching activities
