

R&D Expo 2019

19-20 April, 2019

R&D Expo 2019 was a two-day event being hosted by IEEE JUIT Student Branch in collaboration with TIED Cell, JUIT. Our Main events. Two main events in R&D Expo 2019 were Hackathon and Ideathon. Hackathon was a design sprint-like event in which computer programmers and others were involved in software development, including graphic designers, interface designers, and project managing. Ideathon was the event concentrating on pitching of an idea on the open stage that marked a significant change in the trend. Participants presented their ideas using posters designed by them. To give students inspiration, vision and motivation to achieve more and be successful, there were expert talks by Mrs. Preeti Singh, Head of Operations, Beverages, Ex- Regional Director of south Asia (YPO), Ex- Vice President of Elixir solutions; and Mr. Aaquib Hussain, Chief Director and Director at I&We_WoC Minds, National Academic partner-Startup India Yatra, TEDx speaker.
