## **ADMISSION PROCESS FOR MBA PROGRAMME**

### **Academic Session: 2026-27**

#### **JUIT AT A GLANCE:**

Jaypee University of Information Technology, Wagnaghat was established as the first State Private University of Himachal Pradesh vide Extraordinary Gazette Notification in May 2002.

The University is spread over 25 acres of lush green pollution free environment with a built-up area of 74372.56 sq.m. comprising the Academic Block (with lecture theatres, classrooms, tutorial rooms, laboratories, administrative and faculty offices and the library), Hostel residences for boys and girls, faculty residences, guest house, Annapoorna (Mess), auditorium, sports facilities, 5 Gyms, bank with ATM, dispensary, helipad, university bus, laundry and other associated services. At present, boys' and girls' hostels can accommodate upto 1800 students. The hostel for girls is separate. The campus is fully wifi, with 24x7 electric supply and power back up. NCC is available for volunteer students. The medium of instruction in JUIT is English.

#### **OVERVIEW OF DEPARTMENTS:**

**JAYPEE BUSINESS SCHOOL, WAKNAGHAT (JBSW):** Jaypee Business School, Wagnaghat (JBSW), a key academic unit of Jaypee University of Information Technology (JUIT), is committed to developing future-ready business leaders through a strong blend of management education, analytics, technology, and human values and is offering both MBA and BBA programmes.

The school is offering Master of Business Administration (MBA) and Bachelor of Business Administration (BBA) programme, designed to provide students with a strong foundation in business and management principles at the undergraduate level. The programme offers focused specializations in Marketing, Finance, Human Resource Management, and Fintech, Information Technology & Business Analytics etc. enabling students to develop domain-specific knowledge, analytical capabilities, and professional skills aligned with contemporary industry requirements. The curriculum integrates core business courses, specialization-oriented subjects, practical exposure, and skill-based learning to prepare graduates for entry-level managerial roles, higher education, and entrepreneurial pursuits.

Further strengthening its academic profile, JBSW is also offering Ph.D. programmes in various areas of Management and Social Sciences, including Human Resource Management, Marketing, Finance, English, Political Science, and Sociology. The doctoral programmes are offered in both full-time and part-time modes and are designed to promote rigorous research training, interdisciplinary inquiry, and scholarly excellence. Research scholars undergo structured coursework, periodic progress reviews, and advanced training in research methodology, ethics, and quantitative and qualitative research techniques, in accordance with University and UGC regulations.

With its forward-looking vision, strong academic framework, and emphasis on ethics and innovation, Jaypee Business School, Wagnaghat stands as a vibrant hub for management education, interdisciplinary learning, and advanced research.

- **MBA (Master of Business Administration):** The MBA programme at JBSW is thoughtfully designed to address contemporary and emerging business challenges. It provides a strong foundation in core management disciplines while ensuring extensive integration of information technology and data-driven decision-making across functional areas. Students can specialize in Marketing, Finance, FinTech, Human Resource Management, and Information Technology & Business Analytics, complemented by carefully curated minor specializations. A multidimensional pedagogy—combining classroom learning, industry-relevant software, experiential projects, and professional skill development—ensures holistic learning and enhanced employability.
- An MBA program holds significant importance in today's fast-evolving business environment as it equips professionals with essential leadership, strategic thinking, and managerial skills needed for career growth. It provides a versatile skill set that enhances adaptability in a changing economy marked by technological advancements and globalization. Moreover, an MBA boosts earning potential, career prospects, and job security by opening doors to higher management roles and offering credibility that is valued by employers.
