

JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY WAKNAGHAT
ADMISSION To M. Sc. PROGRAMS-2021 (Non DBT Sponsored)

The M.Sc Programs are offered at JUIT Waknaghat in Biotechnology and Microbiology disciplines. The students joining M. Sc. Program are required to earn 75 credits through course work and dissertation distributed over four semesters to complete the Program. The M.Sc. Program gives an opportunity to students to demonstrate their analytical, innovative and independent thinking ability leading to creating new knowledge and showcase its application in the form of dissertation in 3rd and 4th semesters apart from regular courses of study.

M.Sc. in Biotechnology

M.Sc in Biotechnology is being offered by Department of Biotechnology and Bioinformatics at JUIT. The Department has 20 labs equipped with major equipment e.g. LC-MS, Q-TOF, 2-D Electrophoresis, genome sequencer, atomic absorption spectrophotometer, bioreactors, animal and plant cell cultures labs, pulsed field electrophoresis, gene pulsar, gene gun, LP system, preparative HPLC, GC-MS, fluorescent microscope, high end servers and workstations. The R&D infrastructure has been strengthened through external funding worth Rs. 22.0 crores from different Ministries of the Govt. of India, including prestigious DBT Program support under Centers of Excellence & Innovation in Biotechnology, DBT-RGYI, DST-FIST, DST Indo-Russian, DRDO, MoEFCC, and ICMR. The students are provided opportunity to take up research in diverse areas such as metabolic engineering of microbial and plant systems, bioprocess engineering, molecular biology of infectious diseases, diagnostics and vaccine manufacturing, industrial enzymes and protein engineering, plant cell culture technologies, bioremediation, biofuels, food technology & probiotics, biosynthetic pathway discovery and gene function, genomic, proteomic and metabolomic technologies, medical informatics, protein modeling, computational genomics, metabolic networks, systems biology, etc.

M.Sc. in Microbiology

M.Sc. in Microbiology is a full-time credit-based 2-years program run by the Department of Biotechnology and Bioinformatics. The curriculum has been designed with a balanced mix of basic and advanced theory and practical courses with the aim to keep students abreast of the latest advances in the field. The course encompasses various booming fields within the domain, focusing on microbiology in medicine and pharmacy, agriculture, food and dairy industry, environmental and nanotechnology, emphasizing on the latest advances in the field. Core and optional subjects in various fields of microbiology and allied areas such as Microbial Genetics and Molecular Biology, Environmental Microbiology, Enzymes & Bioprocess Technology, Medical Microbiology, Food & Dairy Microbiology, Recombinant DNA Technology, Bioinformatics & Omics, Vaccine Biology, Probiotics & Prebiotics, Microbial Technology, Metagenomics and Microbiomics provide in-depth knowledge. The course offers an optimum blend of theory, labs and dissertation/hands on project work, realizing the importance of transposing theoretical knowledge into practical implementation. The intention is to open various avenues for our graduates, preparing them for diverse career opportunities in hospitals, diagnostics, Pharma and Biopharma R&D's, Clinical laboratories, Food Industry, Food Safety, and Quality Control, as well as in core Microbiology industries. The final semester provides the base to hone their research skill in dissertation work and present their research findings. With the well-designed courses, the program aims to make the students ready for research, industry and entrepreneurial endeavors.

JUIT M.Sc Program 2021 Schedule

Please refer the link...

http://www.juit.ac.in/admissions_all/ImportantDates.pdf

Eligibility Criteria of JUIT M.Sc Program 2021

Degree	Eligibility Criteria
M.Sc (Biotechnology) & M.Sc (Microbiology)	Passed/Appeared* Bachelor's degree in Life Sciences, Environmental Sciences, Physical Sciences, Agricultural Sciences, Computer Sciences, Medicine (MBBS) or B.D.S, Pharmacy, Veterinary and Fishery Sciences or any other degree recognized equivalent there to by the University with at least 45% marks aggregate/equivalent CGPA (for SC/ST), 50% marks aggregate/equivalent CGPA (for other categories)

The number of seats for each M. Sc Programs is limited to 30 except M.Sc. (Biotechnology) which is limited to 20 seats.

***Provisional Admission: Students who are in the final year are eligible to apply for admission in M.Sc. Program. The admission is subject to successful completion of graduate Program meeting the minimum eligibility criteria. (They need to submit the final graduation result before 30th September 2021).**

Application form complete in all respect must reach to Registrar "JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY, WAKNAGHAT, DISTT- SOLAN (H.P)-173234" by 31st July 2021 alongwith a bank draft of Rs. 500/-. Application fee of Rs. 500/- is applicable for both online/application form purchased from JUIT Wagnaghat. Draft to be made in favor of "Jaypee University of Information Technology" payable at Shimla.

Attach self attested copies of Transcript / Grades / Marks Secured as per serial 7 of application form. Paste one photograph on application form.

M.Sc. Counselling 2021

Date of Counseling for admission to M. Sc Program is as per the announced schedule as mentioned on the website. Allotment of M.Sc. seats for admission 2021 will be based on the candidate's marks/CGPA. Candidates need to produce their original documents for verification at the time of counseling as given on the university website (www.juit.ac.in). For those candidates whose original documents have not been issued by their respective Universities, may have to give an undertaking for submission latest by 30th September 2021. Confirmation of seats will be done only after completion of document verification and payment of the admission fees.

Tuition fee: The tuition fee shall be Rs. 35,000/- per semester for first year and Rs. 45,000/-per semester for the second year.

Hostel Charges: Limited seats are available in the hostels. Hostel seats will be allotted on first come first served basis. The Hostel charges are Rs. 63000/- per semester.
