DISTINGUISHED SPEAKERS

SPEAKER 1

Prof. Anil Joseph

MD, Geostructurals Pvt. Ltd.,
President-IGS

Topic : Forensic Studies of Foundation Failures and Monitoring Vibration in the Construction Industry

30.04.2024 11.00 AM

SPEAKER 2

Prof. Narendra K. Samadhiya

Professor, Civil Engineering, IITR,
Ex-President-IGS

Topic : Influence of seepage force on active and passive thrust for design of a rigid cut-off wal

01.05.2024 12.00 NOON

SPEAKER 3

Dr. Rajesh Prasad Shukla

Assistant Professor, Civil Engineering,
NIT Srinagar

Topic : Bearing capacity of foundation on slopes

02.05.2024 11.00 AM

SPEAKER 4

Prof. Neelima Satyam

Professor, Civil Engineering,
IIT Indore

Topic : Combined landslide hazard in western himalayas

03.05.2024 11.00 AM

SPEAKER 5

Dr. Rohan Deshmukh

Geotechnical Solution Engineer,
Bentley Systems India

Topic : Slope Stability Analysis using numerical modeling

04.05.2024 11.00 AM
