

ANTI DRUG COMMITTEE , JUIT WAKNAGHAT

REPORT FOR THE GROUP CONSLING SESSION (20-08-2026)

A group counseling session was organized by the Anti Drugs Committee, JUIT on 20th August 2026 in CR-1 for the batches BT04, BT05, BT06 and the **number of students reached out was 77** for the session. The session highlighted the menace of drugs, discussed the types of substance consumed leading to the problem of addiction and mode of consumption. Th session drew attention towards the circumstances that lead the individuals to consume the substances and how to prevent and overcome these circumstances. The after effects of substance consumption on individual, family, society and nation at large were discussed. The students took a pledge not to consume the substance and also stop others also from consuming the same.
