Awareness Session on Cervical Cancer

Centre of Healthcare Technologies and Informatics (CEHTI), Department of Biotechnology and Bioinformatics, Jaypee University of Information Technology (JUIT), organized a special awareness session on **Cervical Cancer** on **21st March 2025**. This impactful initiative was conducted in response to a request from the media partner “**Himachal Tonite**” and was aimed at spreading awareness among students, faculty, and staff about one of the leading public health concerns globally.

The session was led by **Dr. Alok Sharma**, MD, Consultant Gynecologist, Civil Hospital, Sundar Nagar, Mandi (HP). Dr. Sharma has been actively engaged in spreading awareness about cervical cancer across various districts of Himachal Pradesh through seminars and sessions, including those on All India Radio and Door-darshan. In his interactive presentation, Dr. Sharma covered crucial aspects of cervical cancer, emphasizing:

- The significance of **routine screenings** and **vaccination** for prevention
- Identification of **risk factors** and **early symptoms**
- **Recent advancements** in treatment and preventive care
- The **importance of public awareness** and **proactive health behavior**

The session witnessed enthusiastic participation from the JUIT community, including faculty, students, and administrative staff. Family members of faculty and staff also joined this very important activity. It encouraged open discussion and deepened the understanding of how early detection and awareness can significantly reduce cervical cancer risks.

The program was coordinated by **Dr. Tiratha Raj Singh**, Coordinator, CEHTI, Media In-Charge, JUIT and Professor in the department of BT and BI. Support from our medical officer **Dr. Ankita Sohal** was also appreciated. The event received full administrative support, with approval and coordination from the Honorable Vice Chancellor **Prof. R.K. Sharma**.
