

One-Day Faculty Development Program on- How to Write a Successful Research Project (03 May, 2025)

A one-day Faculty Development Program (FDP) titled "How to Write a Successful Research Project" was organized on 03 May 2025 in Digital Learning Centre of JUIT. The event was aimed at equipping faculty members and Ph.D. scholars with practical insights into writing effective and fundable research proposals. The resource person for the session was Prof. Mukesh Singh, Senior Member, IEEE, from the Department of Electrical and Instrumentation Engineering, Thapar Institute of Engineering and Technology (TIET), Patiala. Prof. Sudhir Syal emphasized the relevance of the session in the current research ecosystem and expressed gratitude to Hon'ble Vice-Chancellor for facilitating this collaboration. Prof. Mukesh Singh's sessions covered key elements of a compelling proposal, including clarity of objectives, alignment with funding agency priorities, structuring the proposal, and budgeting strategies.
