Centre of Excellence in Artificial Intelligence for Education (CoE-AIE)

Event: Logo Design Contest
(22nd September - 9th October 2025)

Introduction

The **Centre of Excellence for Artificial Intelligence in Education (CoE-AIE)** of **Jaypee University of Information Technology, Waknaghat, Solan** organized a **Logo Design Contest** to create its official logo. The contest was announced on **22nd September 2025**, inviting students to design a logo that reflects the Centre's vision of connecting Artificial Intelligence with Education. This event provided students with an opportunity to express their creativity and design skills while contributing to the identity of the Centre.

A total of **15 students** participated in the competition, including B.Tech students from the first, second, and third years, as well as M.Tech students. Participants were asked to design an original logo aligned with the theme "Artificial Intelligence in Education." The submissions could be either hand-drawn or digitally created, accompanied by a short write-up explaining the concept behind the design.

Event Timeline

Activity	Date
Contest Launch	22nd September 2025
Last Date for Submission	27th September 2025
Presentation and Evaluation	9th October 2025
Results Announcement	10th October 2025

Evaluations

The entries were judged based on originality, creativity, relevance to the theme, and overall visual appeal. The judging panel for the event included **Dr. Hari Singh**, **Prof. Tiratha Raj Singh**, and **Dr. Nancy Singla**. The event was successfully managed and coordinated by **Kunal Rathor**, **Rohit Sharma**, and **Akshita Chaudhary**, ensuring smooth organization throughout all stages of the contest.

The presentation and evaluation of the logo designs were held on **9th October 2025**. Each participant presented their logo and explained the idea behind their design. The judges provided valuable feedback and selected the best design as the official logo of CoE-AIE. The winner received a **certificate of appreciation**, while all participants were awarded **E-certificates** for their contributions.

Result

Out of 15 unique and creative logo designs, the logo created by **Jatin Thakur**, a **first-year M.Tech student**, secured the **first place**.

Conclusion

The key milestones of the event included the contest launch on 22nd September 2025, the last date for submission on 27th September 2025, the presentation and evaluation session on 9th October 2025, and the results announcement on 10th October 2025.

Overall, the Logo Design Contest was a creative and engaging event that saw enthusiastic participation from students across different academic levels. It served as a great platform for showcasing talent and innovation, while also contributing to the visual identity and spirit of the **Centre of Excellence for Artificial Intelligence in Education**.
