Report on Donation Drive at Shanti Niketan

Date: March 30, 2025

Organized By: Koshish Club, Jaypee University of Information Technology

Introduction

The Koshish Club organized **Colors of Giving 2.0**, a donation drive held at the JUIT campus on the 4th and 5th of March 2025. The drive encouraged students and faculty members to contribute generously, collecting a wide range of items including stationery, clothes, and other essentials.

These donations were later distributed during our visit to **Shanti Niketan Children's Home**, an orphanage located in Subathu, Solan. The visit aimed to interact with the children, provide them with educational support, and introduce them to the basics of Vedic Mathematics. The event fostered a spirit of learning, engagement, and joy, making it a memorable experience for both the students and the volunteers.

We extend our heartfelt gratitude to our faculty coordinators, **Prof. Dr. Hemant Sood** and **Asst. Prof. Prateek Thakral**, for their continuous support and guidance in making this initiative a success.

Objectives

- To interact with the children and provide them with a fun yet educational experience.
- To introduce Vedic Mathematics techniques to help improve their mathematical skills.
- To encourage learning in an engaging and interactive manner.
- To inspire confidence and curiosity in young minds.

Activities Conducted

- Volunteers interacted with the children, engaging them in fun and educational discussions.
- A Vedic Mathematics Workshop was conducted, covering simple and effective mathematical techniques to enhance problem-solving skills.
- Students actively participated in problem-solving exercises and learned quick mental math tricks.
- The session concluded with a Q&A segment where students clarified their doubts and explored further mathematical concepts.
- Distribution of stationery and educational materials to encourage continued learning.

Outcomes

- The students developed an interest in mathematics through engaging Vedic techniques.
- The event fostered confidence and motivation among the children to learn new skills.
- Volunteers gained valuable insights into the lives of underprivileged children and the importance of education in shaping their futures.
- Strengthened the bond between Koshish Club and the children, paving the way for future educational initiatives.
