

### **Interaction with Alumni, Mr. Shailu Srivastava & Mr. Sparsh Mahajan 12<sup>th</sup> September, 2022**

Mr. Shailu Srivastava, and Mr. Sparsh Mahajan, an Alumni of ECE, JUIT (Batch 2016-2020) visited the University on 12th Sep 2022 to interact with management, Faculty and students.

Mr. Shailu Srivastava received the Vice Chancellor's Gold Medal for obtaining 1st Rank in ECE dept. He was the IPR cell coordinator for the tenure of 2019-20 and was part of various committees. During B.Tech, he had written 2 research papers(conference) under guidance of Dr.Shruti jain which is published in Springer. In the 4th year, He got an offer from Wipro. Joined Wipro in 2020, presently he is working as Project Engineer. He is a certified SAP Fiori Application Developer and Certified Scrum Master with 2 years of expertise in Developing SAP Fiori Application, Team Management and as a Scrum Master. In his 2 years in Wipro he has received the following Awards:

1. Inspiring Performance Award.
2. Significant Contribution Award.
3. ExtraOrdinaire Award
4. OutStanding Performance Award

Mr. Sparsh Mahajan was an active member of the University Cricket Team and had participated in various tournaments held in IIT Mandi, IIT Ropar and JUET Guna. He got three offers from campus placement (Amazon, Infosys and Wipro) and had joined Amazon as Operations Manager Intern straight out of college and worked there for 5 months. Post that he joined Infosys as Systems Engineer and worked for 8 months before joining his current organisation, ZS Associates, as Decision Analytics Associate. At ZS he is working with one of the largest Fortune 500 clients and helping them in the launch of one of their products which will drive 75% of their annual revenue. He also got an on-site opportunity in ZS.

Both of them shared their experience at JUIT during BTech and have also shared their experience after passing out from JUIT. They guided the students with the plan students should follow in Btech to get relevant skills and good placement. They mentioned how to manage academics and extracurricular activities. They also interacted with Faculty, HoD, Prof. Rajiv Kumar and Vice-Chancellor, Prof. R.K. Sharma.
