

The department of Electronics & Communication Engineering, JUIT Waknaghat has an MoU with Mitsubishi Electric India (MEI) Pvt. Ltd. Company; Gurugram since April 2022. MEI has MoU with other universities across the nation as well. MEI has designated 9 universities out of these MoUs as Authorized Training Center (ATC). MEI conducts ATC Meet to interact with the ATCs. Recently, 3<sup>rd</sup> ATC Meet was organized by MEI at NIRMA University, Ahmadabad during 22-23 February 2024. MEI invited JUIT also to attend this meet. Dr. Pardeep Garg, Faculty member and the Coordinator of Factory Automation (FA) Lab from ECE department represented JUIT in this meet. The meet started with the presentation by 9 ATCs in which they showcased their progress in one year related to MEI set-ups; and the project demonstrations. At the end of the meet, MEI management announced that their 10<sup>th</sup> ATC will be JUIT which will be officially done very soon. The glimpse of the meet is as follows:
