

## GUEST TALK ON DRONES AND EMERGING TECHNOLOGIES IN DRONES

---

Guest talk by Mr Shivansh Sethi, CEO of AIOTIZE was organised by the Department of Electronics and Communication. On dated 18/03/2023 in the afternoon. Under the supervision of Mr Rahul Rana (3<sup>rd</sup> year UG student).

This talk was focused on emerging Drone technologies and drones. The talk took place via GOOGLE MEET. Its primary purpose was to familiarise people with DRONES and AIOTIZE. Mr Shivansh Sethi's voice had been a critical addition to that conversation given his extensive work in Drones and IoT.

Mr. Sethi is the founder and CEO of “Aiotize Pvt Ltd.” Aiotize was incorporated by him in the year of 2018. It provides technical support and expertise in AI, ML and end-to-end IOT solutions.

Internship opportunities were offered at the end of the talk with the assurance that capable students will be hired.
