Robotics Awareness Session and Technical Workshop

at

Durga Public School, Solan

Solan, October 30, 2026: Jaypee University of Information Technology (JUIT), Waknaghat, organised a Robotics Awareness Session and Technical Workshop at Durga Public School, Solan, to familiarise students with the fundamentals of robotics and emerging technologies.

During the session, Dr. Vikas Baghel introduced students to the fundamental concepts and diverse applications of robotics through practical demonstrations. The interactive session aimed to stimulate curiosity, develop technological awareness, and encourage students to explore the rapidly evolving fields of science, engineering, and technology.

The students were also introduced to **JUIT Ideathon**, a national-level competition organised by JUIT to promote innovation, creativity, and problem-solving skills among young minds. The initiative encouraged students to explore their ideas and develop innovative solutions to real-world challenges.

The session provided students with valuable exposure to robotics and emerging technologies while creating awareness about opportunities for innovation and future academic engagement. Through such outreach initiatives, JUIT continues to strengthen its engagement with school students and inspire the next generation of innovators.

The JUIT team comprised **Dr. Vikas Baghel, Department of Electronics and Communication Engineering (ECE); Mr. Dhirendra, Lab Technician, ECE Department; and Ms. Jyoti, Admission Cell.**
