Felicitation Program for JUIT GAT - B Mock Test Achievers

The Department of Biotechnology and Bioinformatics has reached out to different colleges to conduct Mock GAT B test to create awareness among the students, and other stakeholders, highlighting the career opportunities. This test was conducted in 17 Govt colleges in Himachal Pradesh, Punjab and Haryana. The Department of Biotechnology and Bioinformatics has organised a felicitation program for the GAT-B Achiever. A prize distribution for the toppers of individual colleges and high scores in Mock GAT- B test was organized on 10 May 2025. At Jaypee University Wahnaghat. An appreciation prize of Rs 1000, Momentos and a certificate were presented to toppers of Individual colleges, where's momento and certificate were given to the high scorers. Honourable Vice-Chancellor of Jaypee University, Prof Rajendra Kumar Sharma, congratulated prize winners and motivated them to do well in their future careers.

Prof Sudhir Kumar Dean, 'Research and Internalisation' addressed the students and complemented the achievers about their success and emphasised the importance of further education to excel in their fields and better job opportunities. He also informed about the high standards of teaching and research in the Department of Biotechnology and Bioinformatics of Jaypee University of Information Technology Wahnaghat..

Prof Jata Shakkur, Head of the Department, mentioned that the Department of Biotechnology & Bioinformatics is running different Undergraduate and PG programs in the area of Biotechnology, especially MSc Biotechnology and MSc Microbiology and M.Tech Biotechnology. He emphasised the importance of the GAT B test to not boost self confidence but how it shapes the individual career in the scientific field.

At the beginning of the event the students and guests were welcomed by Prof Anil Kant the coordinator of the event. He told the Graduate aptitude test (GAT-B) is conducted by DBT Govt of India via NTA and qualified student get opportunity to get admissions in post graduate programs in Biotechnology and related fields in some the the topmost institutes of India with a scholarship ranging from 5000- to 12000 depending upon the stream. He hailed the students for their achievement and said that every achievement is a promise that their potential has no limits.

Prof Rahul Shrivastva took feedback from the students about their experience and exposure. He also thanked JUIT administration and authorities for all the facilities and approval to carry out the Mock GAT B test at various colleges.

After the main event a visit of invited students to laboratories and facilities in the Department of Biotechnology and Bioinformatics and Jaypee University Campus was carried out.
