Press Release – ICBAB-2026 Concludes Successfully at JUIT Waknaghat

The **3rd International Conference on Biotechnology and Bioinformatics (ICBAB-2026)**, organized by the Department of Biotechnology and Bioinformatics at **Jaypee University of Information Technology (JUIT), Waknaghat**, was held from **28–30 May 2026**. The conference revolved around the theme **Sustainable Healthcare, Agriculture, Environment, and Computational Biology**, and brought together eminent scientists, academicians, industry experts, and young researchers from across India and abroad.

A total of **186+ candidates registered**, with **140 participants physically present on campus** and **30 participants presenting their work online**, making the event a vibrant hybrid platform for knowledge exchange. The conference was supported by the **Council of Scientific and Industrial Research (CSIR)**, which sanctioned **₹50,000 towards Travel Allowance (TA)** to facilitate wider participation.

The inaugural session was graced by **Prof. (Dr.) P. L. Gautam**, Padma Shri Awardee and Chancellor of Dr. Rajendra Prasad Central Agricultural University, Bihar, as Chief Guest. His address inspired participants with a vision for biotechnology's role in sustainable development. Over three days, distinguished speakers including **Prof. Xue-Jun Li (University of Illinois, Chicago, USA)**, **Dr. Yen Wah Tong (National University of Singapore)**, and leading Indian scientists delivered lectures on cutting-edge topics ranging from stem cell platforms and antimicrobial resistance to genome editing and green nanomaterials.

The **Valedictory Function** was presided over by **Prof. (Dr.) R. K. Sharma, Vice Chancellor of JUIT**, who appreciated the organizing team and acknowledged the efforts of conveners **Dr. Saurabh Bansal, Dr. Ashok Kumar Nadda, and Dr. Shikha Mittal**. Certificates were distributed to all participants, and awards were presented to the **Best Oral Presenter** and **Best Poster Presenter**. The function concluded with a Vote of Thanks by **Dr. Saurabh Bansal**, Convener of ICBAB-2026.

ICBAB-2026 also partnered with leading **Scopus-indexed journals and publishers,** including **Bio Web of Conferences, Medicinal Plants, Current Protein and Peptide Science (Bentham Science), and Wiley Publishers**, ensuring high-quality dissemination of selected research papers.

With its diverse sessions, international participation, strong publication partnerships, and recognition of outstanding contributions, ICBAB-2026 marked a significant milestone in advancing interdisciplinary research and fostering collaboration in biotechnology and bioinformatics.
