

3rd International Conference on Biotechnology & Bioinformatics (ICBAB 2026)

ICBAB-2026 – Participant Guidelines

1. Article Requirements

- Authors must first submit an abstract in the prescribed format (template is available at the [website](#). Details are available here: [Call for Abstracts](#)).
- Submit your abstract via [Abstract submission site](#)
- Once the abstract is reviewed and accepted for poster presentation/oral presentation, authors will be invited to submit full research articles in **late May 2026** (not extended abstracts). While selecting full papers, the novelty of the work will be one of the important criteria.
- Articles must be written in English, aligned with conference themes, and prepared using the [BIO Web of Conferences \(EDP Sciences\) template](#). (preferably Word Format 17 x 25 cm, one column).
- Each article will undergo peer review under the supervision of Guest Editors.
- A copyright release form signed by at least one author per article is mandatory.
- **Conference registration is required** for submission/publication of full articles.
- **Accepted Full articles (not extended abstracts) will be published in Scopus-indexed conference proceedings.**
- **Abstract alone will be published in the Conference Abstract Book (ISBN); it will NOT be Scopus-indexed.**

2. Indexing

- All accepted and published articles will be assigned DOIs.
- Proceedings will be indexed in **Scopus** and other major databases supported by **BIO Web of Conferences**.
- More details: [Indexed In](#).

3. Conference Registration Fee:

- After Abstract submission, [register here](#) for the conference.
- Fee details: [Registration Fee Information](#).
- Please note: Registration fees are **non-refundable and non-transferable**.
- The fee covers hospitality and the conference kit; accommodation charges are separate.
