Programs Offered – Academic Year 2023 - 24

B.Tech. Programs
- Bioinformatics (BI)
- Biotechnology (BT)
- Civil Engineering (CE)
- Civil Engineering with specialization in Computer Science (CECS)
- Computer Science & Engineering (CSE)
- CSE with specialization in Artificial Intelligence & Machine Learning (CSE-AI&ML)
- CSE with specialization in Artificial Intelligence & Data Science (CSE-AI&DS)
- CSE with specialization in Cyber Security (CSE-CS)
- Electronics & Communication Engineering (ECE)
- Electronics & Communication Engineering with specialization in Computer Science (ECS)
- Information Technology (IT)
- IT with specialization in Artificial Intelligence & Machine Learning (IT-AI&ML)
- IT with specialization in Artificial Intelligence & Data Science (IT-AI&DS)

B.Tech. Programs (Direct Admission to 2nd Year through Lateral Entry)
- Bioinformatics (BI)
- Biotechnology (BT)
- Civil Engineering (CE)
- Civil Engineering with specialization in Computer Science (CECS)
- Computer Science & Engineering (CSE)
- Electronics & Communication Engineering (ECE)
- Electronics & Communication Engineering with specialization in Computer Science (ECS)
- Information Technology (IT)

B.Sc. Program
- B.Sc.(Hons) in Mathematics and Computing

BBA Program
Bachelor of Business Administration (BBA)

M.Sc. Programs
- Biotechnology (BT)
- Microbiology (MB)

M.Tech. Programs
- Biotechnology
- Civil Engineering
- specialization in Construction Management
- specialization in Environmental Engineering
- specialization in Structural Engineering
- Computer Science & Engineering
- specialization in Data Science
- specialization in Information Security
- Electronics & Communication Engineering
- specialization in Internet of Things

Ph.D. Programs
- Bioinformatics
- Biotechnology
- Civil Engineering
- Computer Science and Engineering
- Electronics and Communication Engineering
- Humanities & Social Sciences
- Mathematics
- Physics & Materials Science

SCIMAGO INSTITUTIONS RANKINGS

SCImago Ranking 2023

Jaypee University of Information Technology, Waknaghat, Solan, H.P.

Ranked of 84th

PATENTS

Patent Published:

1. **Unified Pavement Condition Assessment System**
Inventors – Prof. Ashok Kumar Gupta, Achyut Tiwari
Date: December 29, 2023

2. **Real-time automated recognition and classification of Indian Arts and Paintings using AI and Deep Learning**
Inventors – Vansh Anand,Pardeep Garg
Date: December 15, 2023

Ph.D. Awarded

- **ROLIKA GUPTA (BT 186551)** completed her Ph.D. in December 2023. Her topic was: **PRODUCTION OF BIOACTIVE COMPOUNDS THROUGH IN-VITRO TECHNOLOGIES OF CRITICALLY ENDANGERED HERB SWERTIA CHIRAYITA AND EXPLORATION OF ITS BIOLOGICAL ACTIVITIES**
  Supervisor: **Dr. Hemant Sood**

VIKSIT BHARAT @2047

In a bid to engage and mobilise the youth towards shaping the future of India, The university organised the declamation contest, themed "**VIKSIT BHARAT, SASHAKT BHARAT**". The event aimed at fostering a vision for a transformed India as it approaches its 100th year of independence. The contest, held on the December 14, 2023, saw the students present ideas on economic growth, social progress, sustainability, and governance. The initiative encouraged participants to play an active role in envisioning and building a stronger, more developed India. An enthusiastic turnout marked the event, with students showcasing their oratory skills and presenting compelling ideas for the development of the nation. Among the participants, Kisllay bagged the 1st position in the declamation contest while Aditi and Anushree

emerged as the winner of IInd and IIIrd position respectively. The winners impressed the judges with their insightful and impactful presentation on the theme "**Viksit Bharat@2047**". The university not only provided a platform for

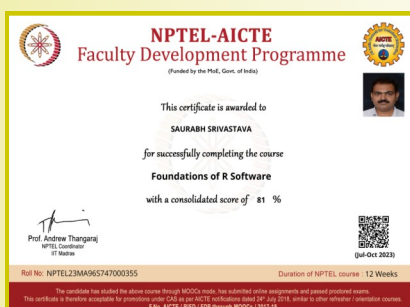

students to express their ideas but also extended an invitation for direct involvement in the nation-building process. Attendees were encouraged to share their ideas with the concerned authorities through the MyGov Portal. The process involved navigating to the Viksit Bharat Consultation section, answering relevant questions using dropdown options, and providing a concise 3-5 line idea for Viksit Bharat@2047, highlighting their envisioned role or contribution. This initiative aligns with the broader national goal of inclusive governance and harnessing the potential of the youth in shaping policies for a prosperous India. It serves as a testament to the university's commitment to nurturing active citizenship and fostering a sense of responsibility among its students.

Faculty Development

1. Prof. Sunil Kumar Khah has successfully completed a 24-week SWAYAM ONLINE certificate course on the **Accreditation of Undergraduate Engineering Programme.**

2. Dr. Saurabh Srivastava has successfully completed a 12-week NPTEL certificate course on the **Foundations of R Software.**
He received an Elite and Silver category certificate for this course.

3. Shri. Akash Bhardwaj has successfully completed a 12 week faculty development program on course **"Urban Landuse and Transportation Planning"** under NPTEL conducted by IIT Khargpur in online mode.
He has achieved top position in the batch with excellent marks.

Alumni Meet-2023

The Alumni Meet convened on December 9, 2023, the JUIT Alumni Cell, received an enthusiastic response from all. 50 alumni from the first four batches accompanied by their families attended the event. Among the distinguished guests were Ankit Aggarwal Founder & CEO of Unstop and Suhail Sharma an IPS officer. The proceedings unfolded in two distinct segments, commencing with a ceremonial lamp lighting by Prof. Rajendra Kumar Sharma (VC), Major General Rakesh Bassi, (Dean student welfare), Prof. Ashok Kumar Gupta (Dean A&R) and Dr. Saurabh Bansal (Alumni Co-ordinator). The initial phase of the event featured insightful speeches from the Vice-Chancellor, Dean and Registrar of the University, setting the tone for an engaging interaction between the alumni and the university's faculty and staff. The alumni revisited their hostels and cherished locations on campus, evoking a sense of nostalgia. This reunion not only facilitated connections between past and present members of the JUIT family but also allowed alumni to witness the growth and evolution of their alma mater. The seamless coordination by JUIT alumni Cell team, faculty coordinators Dr. Saurabh Bansal, Dr. Tanu Sharma, Dr. Nishant Jain and Dr. Surjit Kumar Hazra ensured the event's smooth execution, making it a memorable gathering for all participants. The Alumni Meet underscored the enduring bonds within the university and the collective pride shared by the JUIT community.

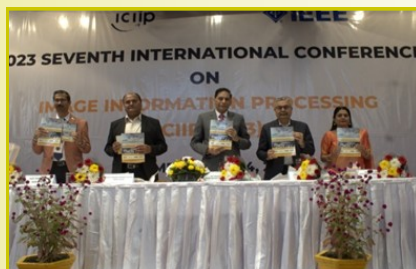

ALUMNI MEET 2023 09 DEC 2023
JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY WAKNAGHAT

ICIIP-2023

The Seventh International Conference on Image Information Processing (ICIIP), a prestigious biennial event initiated by Dept. of CSE & IT in 2011, unfolded its virtual realms from November 22-24, 2023. Under the aegis of Jaypee Group and IEEE sponsorship, ICIIP has emerged as a pivotal platform for the global computer science community, fostering the exchange of insights, research findings, and ideas in Image Processing and allied fields.

The inaugural day witnessed a grand commencement at Jaypee University of Information Tech-

nology. Mr. Prabodh Saxena, Chief Secretary of Himachal Pradesh, graced the occasion. The opening ceremony was complemented by enlightening keynote addresses from distinguished speakers, including Prof. S K Barai, Prof. (Dr.) Xin-She Yang, Dr. S.N. Omkar, Dr. Narendra Londhe, Prof. (Dr.) Ankit

Agrawal, Prof. Angarai Ganesan Ramakrishnam, and Prof. Gaurav Sharma.

Over the course of three days, a total of 182 sessions were held, featuring selected research papers and providing a platform for researchers to present innovative ideas and engage in constructive discussions. The conference's seven technical tracks, spanning Medical Image Data Analytics to Computer Vision and Pattern Recognition, served as pillars for diverse discussions and presentations. The conference's overarching objective to bring together researchers from academic institutions and R&D research labs was resoundingly met. As participants immersed themselves in various tracks, exchanging views and ideas, ICIIP 2023 successfully facilitated meaningful discussions in the ever-evolving landscape of current research.

District-level GST quiz competition

On November 25, 2023, the Department of State Taxes and Excise held a district-level GST quiz competition at Jaypee University of Information Technology to commemorate its 55th Foundation Day. Prominent guest of the occasion was Prof. Rajendra Kumar Sharma, Vice Chancellor, JUIT. Shri Devkant Prakash Khachi, Deputy Commissioner of the State Tax & Excise Department, gave the opening remarks for the event and motivated students for the quiz. Nine teams from various colleges

and universities of solan district competed in eight separate rounds of competition. Degree College Solan held the top spot, followed by Degree College Darlaghat in

second place and Degree College Dharmpur in third. The award ceremony for the coordinators and winners brought the event to a close.

Budding entrepreneurs with Innovative Ideas at Future Business Sharks-2.0

Future Business Sharks 2.0, a prestigious inter-college competition, conducted its finale at Amity University, Mohali, Punjab in collaboration with the Indus Entrepreneurs (TiE) and Hitbullseye, on November 5, 2023. The event attracted 50,000 students among 100 universities/colleges, all selected based on their business, startup, and aptitude acumen.

The competition commenced with an MCQ-based online quiz, where the selected participants were given 20 minutes to showcase their knowledge. Following this, 12 outstanding students were shortlisted for the intense Group Discussion (GD) round on the topic "Artificial intelligence a job creator or terminator", where the topic of discussion revolved around the impact of AI on job creation or elimination. Geetansh Singh, a 3rd year B.Tech student from JUIT, stood out as the top performer, securing his place in the next round.

Amidst the evaluation of GD scores, a general quiz was held for the remaining participants, offering opportunities to win exciting goodies based on their accurate responses. The next round saw 5 students selected from the 12 participants, with Geetansh Singh leading the pack once again. Round 3, the final phase, saw the remaining 5 candidates facing a rigorous challenge from the panel of esteemed judges. Each participant had to respond to 3 questions from each of the three judges, assessing their comprehensive understanding and critical thinking abilities.

In this final showdown, Geetansh Singh, JUIT demonstrating unwavering determination and outstanding analytical skills, earned the prestigious title of the 2nd runner-up, receiving a sophisticated smartphone in recognition of his impressive accomplishments.

This year's panel featured prominent figures such as Harit Mohan, President of TiE Chandigarh; Rohit Kakkar, Assistant General Manager at SBI; Dr. Ajay Sharma, Principal of SD College; and Hirdesh Madan, Co-founder of Hitbullseye. Their participation not only elevated the event's stature but also allowed our students to receive invaluable feedback from seasoned industry and academic professionals.

Workshop on Molecular Biology & Bioinformatics Techniques

Department of Biotechnology and Bioinformatics organized a one day workshop on "Molecular Biology & Bioinformatics Techniques" at St. Bede's College, Shimla on 07 Dec, 2023. Prof. Sudhir Kumar from JUIT and Ms. Reena Thakur from St. Bede's College, Shimla coordinated the workshop. JUIT Ph.D. research scholars – Ms. Sakshi Sharma and Ms. Suhani Bhagta, along with M.Sc. Biotechnology students Ms. Sneha Joshi, Ms. Tanvi Chadha, Ms. Ritika Chauhan and Ms. Sanskriti Sauhta were a part of the team for conducting the workshop and provided technical help and hands-on demonstration to the students. The main objective of the workshop was to make B.Sc. Biotechnology and B.Sc Botany students gain hands-on working experience of Molecular Biology and Bioinformatics Techniques and to showcase the strength of Jaypee University in this area.
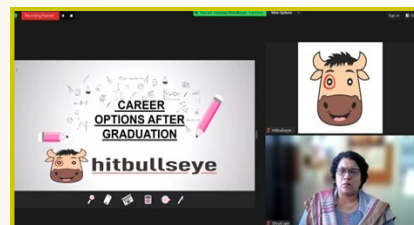

Various Biotechnology techniques for genomic DNA, plasmid DNA& RNA isolation and restriction digestions were demonstrated by Dr. Rahul Shrivastava and technical staff Mr. Baleshwar. Whereas demonstration on Bioinformatics techniques including BLAST, MSA and phylogenetic tree was given by Dr. Shikha Mittal.

Career Guidance Webinar

Hitbullseye organised Guidance seminar on **'Career Choices after Graduation'** followed by a Scholarship Test in collaboration with IEEE JUIT SB and Technical Sciences Club, JYC on **November 24, 2023 at 4:00 PM** in online mode. The objective of the guidance seminar was to provide valuable insights to students regarding the diverse career options available after completing their graduation. It is believed that informed career choices are crucial for students' future success, and this event aimed to equip them with the knowledge and resources to make informed decisions about their career paths. Ms. Tamosi Moitra, was the speaker of the day. Ms Moitra a versatile educator and mentor is known for her dynamic teaching approach.

National Mathematics Day-2023

The Department of Mathematics, celebrated National Mathematics Day 2023 on the birth anniversary of Srinivasa Ramanujan, one of the great Mathematicians of the 20th century. This event was jointly organized by JUIT and HIMCOSTE, H.P. Govt. To promote this event, offline quizzes were conducted in various schools of Agra & Palwal from Dec 18-20, 2023. Hon'ble Vice Chancellor, Prof. R.K. Sharma, and Dean (A&R), Prof A K Gupta, have addressed the students and focused on the importance of mathematics in artificial intelligence. Prof. R. K. Bajaj, (HoD) addressed the students and focused on the life of S. Ramanujan and the importance of Mathematics in our lives. Invited speakers **Prof. Mani Mehra (IIT Delhi)** and Prof. Jitendra Kumar **(IIT Ropar)** delivered the lectures during this event and the sessions were chaired by program coordinators Dr. Neel Kanth, Dr. B.K. Pathak, Dr. P. K. Pandey and Dr. S. Srivastava. At the end, Prof. R.S Raja Durai, announced the winners.

National Education Day

November 21st, was observed as National Education Day with a series of inspiring events dedicated to empowering the children of Koshish Club. The celebrations aimed to emphasise the importance of education and create a platform for the children to express themselves creatively. The competition provided a fun and educational experience, encouraging them to reflect on the role of education in achieving their dreams. Furthermore, a Speech Competition was conducted, inviting the children to express their thoughts about the significance of education in their lives. This platform enabled them to develop public speaking skills and confidently share their perspectives with others. The events were deliberately designed to be small-scale and focused on the children themselves, fostering a sense of ownership and pride in their education. By active participation from around 30 children in these activities, a valuable and empowering National Education Day celebration was successfully Completed.

Vigilance Awareness Week (30 Oct. – 5 Nov, 2023)

JUIT Faculty, Staff, Students took pledge on Vigilance under the theme "Say no to corruption; Commit to the nation- भ्रष्टाचार का विरोध करें; राष्ट्र के प्रति समर्पित रहे."

On 4th November 2023, the **Omega Leo** Waknaghat organized an awareness drive against corruption. The members of Omega Leo Waknaghat visited Him Siksha Kendra School at Waknagaht, and organized different events from 9:30 am to 1:00 pm. The event continued with a meaningful Nukkar Natak on the theme of anti-corruption, and two first-year Leo members delivered poignant speeches. These speeches were not just words but a reminder of the significance of ethical behavior and the need to take a stand against corruption, leaving a lasting impression on the students of the school along with teachers and staff. They organized games and painting competitions with 36 school students along with school teachers and their headmaster Mr. Narendra Sharma.

Rotaract Club of Waknaghat showcased its commitment to being a part of making citizens a responsible part of India by observing a nationwide call for '**Vigilance Awareness Week**' on 4th November, 2023. What can be better than taking the call to say no to corruption with children between the ages of 6 to 14, the very future of our country? So to realize the same, club members took the 'Pledge for Integrity' with the students from Waknaghat Primary School.

The Rotaract Club of Waknaghat made a profound impact during Vigilance Awareness Week, championing the theme "Say no to corruption; Commit to the nation - भ्रष्टाचार का विरोध करें; राष्ट्र के प्रति समर्पित रहे." Under the guidance of Dr. Shruti Jain, the club's initiatives not only resonated with the students but also aligned with the school's educational objectives. This success underscores the Rotaract Club's dedication to cultivating responsible citizens through impactful, transformative experiences in their community.

During the Vigilance Awareness Week, the Koshish Club organised a two day event aimed at promoting awareness about the importance of vigilance and integrity in society. On the first day, a spirited walkathon was conducted, commencing from the Vivekanand a statue and concluding at the university's basketball court. The second day of the event saw an impactful street play, strategically designed to highlight the pressing issues related to vigilance and anti-corruption measures. The play was skillfully performed by the children themselves, infusing the event with a sense of youth driven purpose and creativity. The motive behind these events was to instil awareness about the significance of vigilance, transparency, and ethical conduct in our daily lives, emphasising the role of individuals in combating corruption.

This two day event stands as a shining example of how youth initiatives can play a pivotal role in fostering a culture of vigilance and accountability in our communities, ultimately contributing to a better and more ethically sound society.

ENIGMA: IEEE JUIT Student branch

The IEEE JUIT Student Branch hosted the enthralling three-day "Enigma" mini flagship event from Dec 01-03, 2023. The event was graced by Prof. Shruti Jain (IEEE Branch Counsellor), Prof. Vivek Sehgal (HoD, CSE& IT), Dr. Yugal Kumar (IEEE Branch Member), Mr. Aryam, and Mr. Kshitiz (IEEE Student Branch Chairs). The event commenced

with a vibrant two-day hackathon, showcasing innovation and technical prowess. Day 1 witnessed a surge of creativity, fueled by coding challenges. A mid-evaluation phase, led by experienced seniors, added valuable insights and fostered a collaborative learning environment. Day 2 reached its climax as Dr. Shruti Jain and Dr. Anita declared the names of hackathon winners, recognizing outstanding talent. The day was a whirlwind of activities, starting with Spin-O-Web, a web development and UI/UX event challenging participants to create cutting-edge digital experiences. Coding Mania 2.0, testing coding

abilities and problem-solving skills. Skin Craft provided a platform for participants to express their creativity by crafting unique laptop skins. The evening continued with the D'Roid Expo, an IoT-based exhibition exploring the latest developments. Simultaneously, gaming enthusiasts participated in tournaments like FIFA, BGMI, and Valorant, adding a competitive edge to the evening. Day 3 brought a delightful mix of thrill and entertainment. A Squid Game-inspired fun event offered participants an immersive experience with thrilling challenges in the evening. "Enigma" transcended

expectations, symbolising the IEEE JUIT Student Branch's collaborative spirit and technical acumen, ensuring a lasting impression on all participants and attendees.

MyGov Sardar Unity Trinity Quiz Samarth Bharat

Sardar Vallabhbhai Patel, known as the 'Iron Man of India', led to the peaceful integration of the princely Indian States into the Indian Union and the political unification of India.

A nationwide Quiz, "**Sardar Unity Trinity Quiz**" is being hosted on the MyGov platform to celebrate the life, ideals, and accomplishments of Sardar Vallabhbhai Patel.The quiz aims to introduce the youth and citizens of India to the social values, ideologies, ethics, and morals associated with Sardar

Patel while highlighting the achievements and vision of the government of India. The quiz is available in multiple regional languages including English and Hindi. JUIT-JYC organized this Quiz on Nov 29, 2023. This was a timed quiz with 10 questions to be answered in 200 seconds.

School Outreach Activity and Career Counseling Programme

Dr. Saurav, Department of Civil Engineering visited different schools in Kullu district of Himachal Pradesh from Nov. 5-8 2023. As outreach activity he was accompanied by Prof. Tirath Raj Singh, Dept. of BI and Mr. Praveen from Admission Cell. Six different schools namely
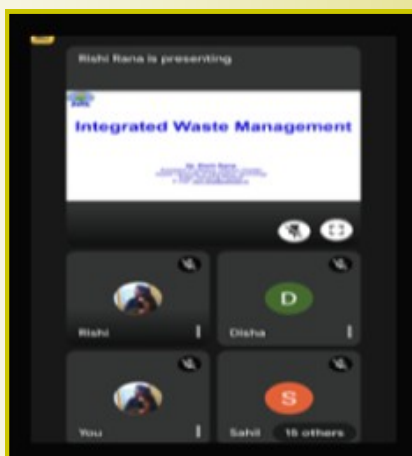

1. Kullu Valley School
2. Cambridge International School
3. Agmik public Sr. Sec. School
4. Kullu Science School
5. Arunodaya Sr. Sec. School
6. Ambition Classe

were visited in this tour and students were given detailed information about JUIT and its admission procedure. Dr. Saurav delivered lecture on career counselling and told them various options after 10+2 exams. On an average 70 students were counselled from each schools.

Expert Lecture Delivered

Dr. Rishi Rana delivered an expert lecture titled "Integrated Waste Management - Looking beyond the Solid Waste Horizon" in online mode on 13th December 2023 at University Institute of Technology, Himachal Pradesh University, Shimla. A total of 32 students of Civil Engineering joined the expert lecture. The main aim of the lecture was to

sensitize the students about the holistic approcah to handling and disposing of the waste for a comphrehensive and sustainable apporach to handling waste. The lecture coursed the various facets of waste management, including waste categorization, reduction strategies, recycling inititaives and responsible disposal methods.

Dr. Amardeep delivered an expert lecture titled; "Performance analysis of two lane highway by identifying followers and non followers" in online mode on 8th December 2023 at Rao Birender Singh State Institute of Engineering; Technology, Rewari. A total of 28 students of Civil Engineering joined the expert lecture. The main aim of the lecture was to examine the performance of two lane highways by identifying the follower and non following vehicles. It was also stated that the methodology of the developed countries may not be adopted for Indian traffic condition i.e. heterogeneous in nature.

ALFAAZ `23

The Literary and Debating Club of JYC organised a spectacular literary extravaganza ALFAAZ '23, spanning two days. The event kicked off with the inaugural session of JUIT Youth Parliament '23 (JYP '23) on November 25, 2023. The topic of debate in YP was insightful discussion on the socio-economic landscape of Jammu Kashmir and Ladakh. This session provided a thought - provoking start to the event, setting the tone for the rest of the activities. In the evening, the Cinefest event took place where participants had the opportunity to express their Bollywood spirit through various activities like DJ night and face painting.

Arya Singh, representing the portfolio of Navneet Kaur, earned the prestigious title of Best Parliamentarian for her exemplary performance, Ayushi Tripathi received a High Commendation for her articulate representation of the portfolio of Narendra Modi. Special Mention was accorded to Anuja Purohit, embodying the spirit of Mahua Moitra; Yash Srivastava, eloquently representing Dr. Farooq Abdullah and Geetansh Singh, brought forth the essence of Amit Shah's portfolio. In the realm of Individual Recognitions Keerti stood out as the Best Reporter, skillfully capturing the essence of the events. Astha Pipania shone as the Best Debutant, making a remarkable entrance into the ALFAAZ '23 stage. The presence of esteemed guests Aman Yadav who is a law graduate, Sohan Ahuja who is master of social work student at Maharaja Sayajirao University and Simran Gohan who is currently working in GreyB an intellectual property consulting firm, contributed significantly to the success of ALFAAZ '23, enriching the event with their diverse perspectives and expertise
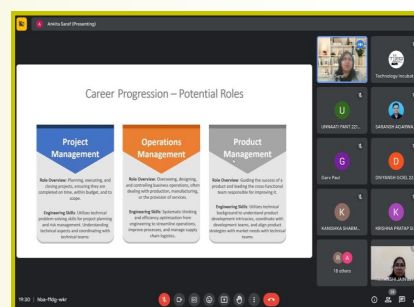

National Entrepreneurship Day'23

IEDC organized 'Career Symphony: Harmonizing Tech and Management' on November 30, 2023, that was a beacon for converting entrepreneurial aspirations into reality. It emphasized the pivotal role of appropriate guidance in navigating the entrepreneurial journey. Ankita Saraf, an esteemed analytics professional with a rich career at Volvo Group and other leading firms, was the guest speaker. Her expertise in blending technology and management principles was central to the event's theme, aiming to equip participants with the knowledge to successfully traverse the evolving landscape of tech-driven entrepreneurship. The webinar covered diverse topics, including strategic manage-

ment, the integration of technology in business, and the power of data analytics in decision-making. Her experiences provided practical insights into bridging tech and nontech areas, fostering innovation, and the importance of continuous learning and adaptation in the business world.

Vocal for Local 2.0

Unnat Bharat Abhiyan team organized "Vocal for Local 2.0" a three-day pre-Diwali event from November 1-3, 2023. The event was designed to honor and promote local craftsmanship, featuring the Mahila Pradhan and her dedicated team who showcased their remarkable skills. They set up stalls that featured handmade candles, dhoopbatti, and beautifully crafted diyas, creating an atmosphere of festive celebration and cultural appreciation. This

event not only embraced the spirit of Diwali but also aimed to preserve and promote the rich cultural heritage and artistry of the local artisans. As Diwali drew nearer, these handmade creations not only added a traditional touch to the celebrations but also provided an opportunity for individuals to contribute to the community's growth, making JUIT campus a beacon of creativity and tradition.

Umang

On December 5th, a cultural program organised by the Omega Leo Club Waknaghat and Gender Champions Club to present the captivating open mic event, "Umang." This event stood as a testament to the diverse talents and artistic fervour of our students with Dissemination of message about social concerns on respecting humans irrespective of gender and invoking the spirit of

fair treatment with sensitivity towards gender equality was done within the student community. To honor excellence, awards were conferred in categories such as singing, shayari, stand-up comedy and speech delivery, recognizing and appreciating the outstanding performances.

Master Chef

On November 4 2023, this culinary competition featured ten vibrant teams, each given three hours to showcase their talents and creativity to prepare the dishes of their choice to please the judges. The kitchen sizzled with activity as participants prepared their dishes, while the audience exuded excitement and fervour, cheering for their favourite teams, to keep the spectators engaged. Series of exciting games and activities were organised alongside the

competition, ensuring that the event was not only a feast for the taste buds but also a source of entertainment for all.

The culmination of this thrilling event saw team 'Masala Masters'

emerging as the first position holders, team 'The Og's' in second position and team 'Sweet Cuisine' in third position, winning hearts with their culinary prowess and innovative dishes.

Rotaract Club of Waknaghat at a glance
खुशियोंकीसौगात

Rotaract Club of Waknaghat organised 'खुशियोंकीसौगात', an attempt to make this year's Diwaligreener, happier and prosperous for everyone. From extending support to local vendors to saying no to crackers, this Diwali, the Rotaract Club of Waknaghat strived to make Diwali, an occasion of bringing light to other people's lives.

The Rotaract Club of Waknaghat exemplified its

commitment to community service and environmental consciousness through the impactful "खुशियोंकीसौगात"

Diwali celebration. With #Spreadhappiness, members donated utensils, capturing the joy of giving and receiving. Under #GreenDiwali, the club advocated against firecrackers, fostering a noise-free and pollution-free celebration, showcasing a dedication to environmental sustainability. #Vocalforlocal emphasized supporting local artisans, promoting a vibrant Diwali while contributing to the local economy.

Back to Square One

On a bright Saturday afternoon, December 9, 2023, the Rotaract Club of Waknaghat went to back to square one, by demonstrating its enduring commitment to societal change as it warmly welcomed back Rtr. Arunima Sharma, the club's charter president and JUIT alumna. In collaboration with her, the club enthusiastically joined the nationwide initiative "Udaan"

by Vyaktitva Foundation, a Non-Profit Organisation lead by non-other than Rtr. Arunima

herself. Focused on addressing adolescent issues like substance abuse, depression, anxiety, and peer pressure, the club gathered for an interactive session. This reiteration of purposeful collaboration showcases the Rotaract Club of Waknaghat's dedication to driving positive change in society, embodying its role as a catalyst for impactful initiatives.

जेपी यूनिवर्सिटी में सम्मेलन का आयोजन

चंडीगढ़। जेपी यूनिवर्सिटी ऑफ इन्फॉर्मेशन टेक्नोलॉजी द्वारा तीन दिवसीय सम्मेलन का आयोजन किया गया। इसका उद्घाटन हिमाचल प्रदेश के मुख्य सचिव प्रबोध सक्सेना, प्रोफेसर (डॉ.) राजेंद्र कुमार शर्मा और मेजर जनरल राकेश बस्सी ने किया। इस मौके पर कई गण्यमान्य लोग मौजूद रहे।

नैशनल शूटिंग चैंपियनशिप में जेपी यूनिवर्सिटी सोलन के छात्र का जलवा

हिमाचल दस्तक ■ सोलन

■ जेयूआईटी के अधिकारियों व संकाय सदस्यों ने देवांश की पीठ थपथपाई

जेपी सूचना प्रौद्योगिकी विश्वविद्यालय के प्रतिभाशाली कंप्यूटर विज्ञान और इंजीनियरिंग छात्र, देवांश मोदगिल ने वास्तव में कुछ खास हासिल किया है। दिल्ली में 66वीं राष्ट्रीय शूटिंग चैंपियनशिप में शानदार प्रदर्शन के बाद, देवांश मोदगिल ने भारतीय टीम ट्रायल में स्थान हासिल कर लिया है। प्रभावशाली ढंग से देवांश ने 50 मीटर राइफल 3 पोजीशन जूनियर मेन नैशनल चैंपियनशिप, 50 मीटर राइफल प्रोन जूनियर मेन नैशनल चैंपियनशिप और 10 मीटर यूथ मेन नैशनल चैंपियनशिप में भाग लिया और क्रमशः 51वीं, 19वीं और 229वीं उल्लेखनीय रैंकिंग हासिल की। जो बात इसे और भी रोमांचक बनाती है वह यह है कि देवांश मोदगिल ने अब राष्ट्रीय और संभावित अंतरराष्ट्रीय मंच पर भविष्य की सफलता के लिए अविश्वसनीय

क्षमता दिखाते हुए भारतीय टीम ट्रायल के लिए क्वालीफाई कर लिया है। ये उपलब्धियां न केवल देवांश के व्यक्तिगत कौशल को उजागर करती हैं बल्कि विश्वविद्यालय के समुदाय के भीतर विकसित उत्कृष्टता के प्रति प्रतिबद्धता को भी रेखांकित करती हैं। जेयूआईटी के उच्च अधिकारियों और संकाय सदस्यों ने देवांश और उनके परिवार को इस उत्कृष्ट उपलब्धि के लिए बधाई दी।

जेपी विवि में शिक्षा पर आधारित कार्यक्रम का आयोजन

सोलन। जेपी यूनिवर्सिटी ऑफ इंफॉर्मेशन टेक्नोलॉजी की सुरम्य सेटिंग में

वाकनाघाट के रोटारेक्ट क्लब ने एआई आधारित शिक्षा पर उत्कृष्टता केंद्र के साथ मिलकर 28-29 अक्तूबर को एक अभूतपूर्व कार्यक्रम, हैक-ए-केयर- हैकथॉन फॉर ए कॉज का आयोजन किया। हैकथॉन नवाचार, सहयोग और सकारात्मक प्रभाव पैदा करने की प्रौद्योगिकी की क्षमता का एक उल्लेखनीय उत्सव था। कृषि, शिक्षा, स्वास्थ्य सेवा और पर्यावरण के मूल विषयों पर आधारित, इसने एकता और सामूहिक प्रगति की भावना को मूर्त रूप दिया। कार्यक्रम का उद्घाटन डीआरआर आरटीएन द्वारा किया गया। कार्यक्रम में टीमें विजयी हुईं जिसमें टीम ब्लू ने शीर्ष स्थान हासिल किया, बाइट बिल्डर दूसरे स्थान पर रही और टीम बाइनरी ब्रेन्स ने तीसरा स्थान हासिल किया।

जेपी यूनिवर्सिटी ने घंभेश्वर मंदिर के पास जल निकायों को साफ करने के लिए चलाया अभियान

सोलन। जेपी यूनिवर्सिटी के कैडेट्स ने एक दोहरे मिशन की शुरुआत की। इसमें साहसिक कार्य को सामाजिक जिम्मेदारी के साथ जोड़ा गया। दिन की शुरुआत शांत पहाड़ी और नदी के बीच स्थित घंभेश्वर मंदिर में आध्यात्मिक भेंट के साथ हुई। कैडेट्स पूरे जोश और बुलंद जज्बे के साथ प्रकृति की चुनौती, सुंदरता और प्रकृति के प्रति अपनी जिम्मेदारी दोनों पर विजय पाने के लिए एकत्र हुए। कैडेट घंभेश्वर शिव मंदिर पंपिंग स्टेशन पहुंचे, जहां

उन्होंने सबसे पहले भगवान शिव से प्रार्थना की। इसके बाद कैडेट्स ने पर्यावरण और नदी के दृश्य को स्वच्छ बनाने के लिए उत्साह और ऊर्जा दिखाई। कैडेट्स ने ऊबड़-खाबड़ इलाकों से होते हुए ट्रैकिंग शुरू रास्ते में जंगल और नदी किनारे की सफाई का अभियान भी चलाया जाता है। उन्होंने विवि के पंपिंग स्टेशन का भी दौरा किया और पंपिंग स्टेशन कैसे काम करता है, इसके बारे में कुछ जानकारी प्राप्त की।

Students of Jaypee University selected by Global Companies

Excelsior Correspondent

SOLAN, Dec 8: The students of Jaypee University of Information Technology were selected by globally renowned companies. The students are belonged to Biotechnology and Bioinformatics Department.

Poshita Sachdeva, MSc Biotechnology 2023passed out student was selected in Biocon, Bangalore for the internship, while another student Akansha Sharma, BTech Bioinformatics final year was selected in Amazon for the internship.

Both the students will be joining these globally renowned companies and will learn recent developments in the specified domains.

These students not only bringing honor to themselves but also shining a bright light on Jaypee University of Information Technology (JUIT), Waknaghat, Solan, Himachal Pradesh.

Head of the Department Prof Sudhir Syal congratulated these talented students.

Vice chancellor Prof RK Sharma also sent his best wishes to these young minds.

Other authorities and faculty members of JUIT also congratulated Poshita and Akansha and their respective families for this excellent achievement and wish that they will reach to the pinnacle of success in near future.
