Date: 17-28 March 2024

Venue: Dalhousie Military Base, 6 JAK Rif

Organising Unit: 1 HP Boys Battalion NCC, Solan

Brief Description:

A group of 14 NCC cadets from 1 HP Boys Battalion, Solan participated in the Army Attachment Camp at Dalhousie Military Base under 6 JAK Rif. The camp was designed to provide cadets with direct exposure to Army training, discipline, and unit functioning.

Focus Areas:

- Weapon handling and firing practice with **INSAS rifle**
- Service lectures by Army officers on military life, discipline, and leadership
- **Battle Obstacle Course** for endurance and agility training
- Field exposure through visits to unit areas and the mess
- Cultural integration through **Holi celebration** and morale-building activities
- Educational movie screening related to defence services

Outcome:

The camp strengthened leadership qualities, discipline, physical endurance, and military awareness among cadets while providing practical insight into the working environment of an operational Army unit.
