## National Cadet Corps

**Name of the Activity: Swachta Abhiyan**

**Date:** 30<sup>th</sup> March 2025

**Place:** Near JUIT Solan

### Introduction

We, the cadets of NCC of Jaypee University Of Information Technology, proudly participated in a Swachhta Abhiyan organized on 30th March 2025 under the leadership of ANO Lt. Pragya Gupta and Retd. Subedar Major Jai Lal Thakur. The cleanliness drive was a significant step toward promoting awareness about cleanliness and hygiene, in alignment with the nationwide Swachh Bharat Mission. The initiative began early in the morning and was carried out with enthusiasm and dedication by all cadets.

### Program Highlights

- The rally began from the main gate of Jaypee University of Information Technology and continued for 1.5 kilometers along the adjoining road, covering nearby areas often overlooked for cleanliness.
- Cadets were equipped with cleaning tools such as gloves, masks, garbage bags, and brooms, ensuring safety and efficiency during the activity.
- Under the disciplined guidance of Lt. Pragya Gupta and Retd. SM Jai Lal Thakur, cadets demonstrated teamwork and coordination throughout the Abhiyan.
- Areas along the route were thoroughly cleaned—litter was collected, plastic waste was removed, and dustbins were placed at selected points for future use.
- Cadets engaged with locals and fellow students they encountered on the route, encouraging them to take ownership of keeping their surroundings clean.
- Although no slogans were raised, the strong visual presence of the cadets in uniform and their dedicated actions delivered a powerful, silent message about civic responsibility.

### Conclusion

In conclusion, the rally served as a meaningful initiative to raise awareness about water conservation and sustainability. As NCC cadets, we felt proud to be part of this noble cause and to contribute to a global environmental campaign. The event not only educated participants but also strengthened our sense of responsibility toward the environment and society.
