

## Webinar Session by Preeti Singh

Date:25/03/2019

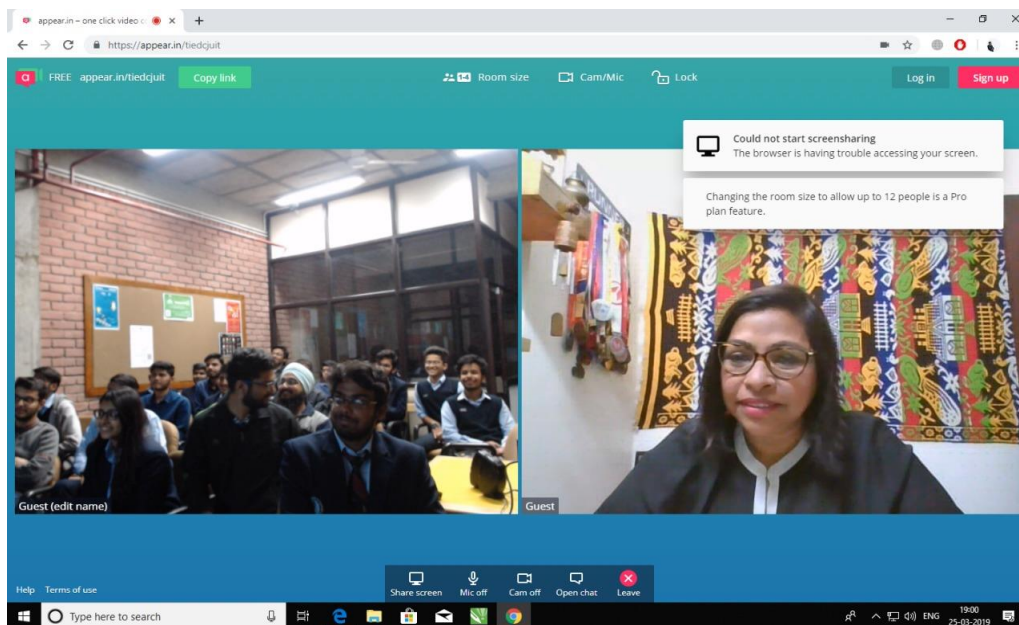

In the evening of 25<sup>th</sup> March 2019 TIEDC, JUIT organised a webinar with M/S Preeti Singh.

M/s Singh has a great professional experience of two decades in strategy planning and implementation ,deep knowledge in talent acquisition,business development,hiring for business houses and multinationals in India and overseas.

During the session M/S Singh cleared the doubts of emerging minds about the corporate world and how it works.

The session proved to be very interactive, motivating and helpful for the students and they a great participation to make the session successful.

Key learnings in session were:

- problem in transition of career
- how to develop marketing skills and manage people accordingly
- strategic planning in job and career
- role of attractive resume while applying for internship or job
- develop skill for building conversation and handling people

The session ended after one hour of discussion which proved to be very effective to everyone.
